Additional asset sales and projected free cash flow during 2020 will be used to further reduce debt."

Commenting on the transaction, Glen Warren, President, and Chief Financial Officer of Antero said, "We continued to repurchase bonds during the second quarter, reducing the outstanding principal amount of our 2021 bonds to \$540 million. The ORRI transaction increases our liquidity, reduces debt, and positions us to address our upcoming bond maturities. Importantly, our borrowing base remains unchanged following this transaction, which further supports our liquidity profile."

Matt Dillard, Partner at Sixth Street, commented, "Antero has built an extensive core acreage position in one of the lowest cost shale basins in the U.S. Our investment further strengthens Antero's balance sheet and provides a clear path for the company to develop its attractive acreage position for many years to come. We are excited to participate in this shale development alongside a proven team with a long-term track record of industry success."

Credit Suisse Securities (USA) LLC was sole financial advisor to Antero on the ORRI transaction and Vinson & Elkins LLP was the legal advisor. White & Case LLP was the legal advisor to Sixth Street.
