Regent Seven Seas Cruises® Announces Once-in-a-Lifetime Solar Eclipse Voyage Collection for 2026 & 2027

5 Extraordinary Sailings to Feature Rare Celestial Events, Expert-Led Enrichment and Celebratory Experiences

Collection Includes a Total Solar Eclipse aboard Seven Seas Grandeur® in 2027

MIAMI, September 9, 2025: [Regent Seven Seas Cruises®](#), the world's leading ultra luxury cruise line, has unveiled 5 captivating voyages sailing the Mediterranean and Northern Europe in 2026 and 2027 that will celebrate one of nature's most awe-inspiring phenomena: a solar eclipse. The immersive, all-inclusive [Solar Eclipse Voyage Collection](#), sailing aboard *Seven Seas Grandeur®*, *Seven Seas Mariner®*, *Seven Seas Navigator®*, and *Seven Seas Voyager®* will combine celestial wonder with unforgettable celebrations at sea, guided by leaders in astronomy, physics, and space exploration.

4 special sailings will offer guests incredible views of a solar eclipse, with visibility percentages ranging from approximately 80% to 93%, on August 12, 2026. A fifth sailing in 2027 will offer the opportunity to witness a total solar eclipse on August 2, 2027, as the path of totality passes through the Mediterranean.

Each sailing will feature fascinating enrichment programs, including thought-provoking presentations and intimate discussions with leading guest speakers such as NASA engineers and astronaut instructors, and a variety of curated activities such as stargazing sessions on deck.

"Our *Solar Eclipse Voyage Collection* offers luxury travelers a front-row seat to one of Earth's most extraordinary natural events while enjoying the unrivaled Regent experience," said Wes D'Silva, chief commercial officer, Regent Seven Seas Cruises. "These thoughtfully

curated voyages embody Regent's commitment to delivering immersive and unforgettable moments, from insightful talks by distinguished experts to celebratory gatherings delivered with Regent's signature *Heartfelt Hospitality*."

Unrivaled Solar Eclipse Celebrations

From the open pool deck of Regent's elegant ships, discerning travelers will witness these unique events in luxurious comfort as they sip a solar eclipse-themed punch with world-renowned experts. With every detail carefully crafted - from gourmet cuisine to refined service - Regent has created an eclipse viewing environment that will be *Unrivaled at Sea*™.

During eclipse celebration hours, the Pool Grill will become the *Solar Eclipse Dinner Grill*, for a relaxed, dining option close to the action. After witnessing natural history, guests can toast the eclipse at celebratory deck parties, under the open sky, complete with live music from Regent's talented musicians and vocalists.

As a commemorative touch, Regent-branded solar glasses will be gifted to participants as a keepsake to remember the moment. Guests will also be treated to a special solar eclipse dessert in *Compass Rose*, and an eclipse-inspired cocktail will be available in all bars throughout the sailing.

These culinary enhancements, together with Regent's unmatched service, will ensure viewings are joyous, once-in-a-lifetime celebrations.

Regent's Solar Eclipse Voyage Collection

[Scandinavian Serenade](#)

London (Southampton), England - Copenhagen, Denmark

July 31, 2026 - 18 Nights

Seven Seas Mariner

Onboard *Seven Seas Mariner*, guests will enjoy talks from special guest Dr. Gary Kramer, the distinguished health physicist and former Head of Health Canada's Human Monitoring Laboratory. With more than 200 scientific publications and over four decades of teaching and research, Dr. Kramer will share insights into the eclipse and space science during enlightening lectures tied to the eclipse which will have a visibility percentage of approximately 79.6% in Helsinki, Finland.

[Mighty Fjords & Nordic Grace](#)

Reykjavik, Iceland - Oslo, Norway

August 1, 2026 - 14 Nights

Seven Seas Grandeur

Guided by Lt. Col. Ken Verderame, a NASA astronaut instructor and U.S. Air Force officer, guests aboard Seven Seas Grandeur will enjoy expert commentary on aerospace and astrophysics while observing the eclipse from Eidfjord, Norway, where the celestial event will reach approximately 84.3% visibility. Verderame, who has trained astronauts for space shuttle missions and has authored multiple books and scientific papers, will offer guests astute astrological learnings.

[Iberian Indulgence](#)

Paris (Le Havre), France - Barcelona, Spain

August 12, 2026 - 12 Nights

Seven Seas Navigator

As part of *Seven Seas Navigator's Farewell Season*, Dr. Ralph P. Pass, NASA veteran and former support team member for the Apollo missions, will join guests onboard. An unparalleled expert, Dr. Pass contributed to landmark missions like Deep Space I and Deep Impact. Attendees will enjoy a guided eclipse viewing from Le Havre, France - where the phenomenon will have an incredible 92.75% visibility percentage - complemented by Dr. Pass's fascinating views on space exploration and astronomy.

[Royal Routes](#)

London (Southampton), England - Reykjavik, Iceland

August 12, 2026 - 8 Nights

Seven Seas Voyager

Onboard *Seven Seas Voyager*, former NASA Chief Engineer Frank Buzzard, who led both the Space Shuttle and International Space Station programs as well as the Columbia Accident Investigation Task Force, will guide guests through the 2026 eclipse with his unique knowledge in aerospace. From Southampton, England, the stargazers will see the eclipse with a remarkable 92.53% visibility percentage.

[Eclipse the Ordinary](#)

Barcelona, Spain - Rome (Civitavecchia), Italy

July 29, 2027 - 9 Nights

Seven Seas Grandeur

This journey offers a Mediterranean celebration of a total eclipse while at sea, with enrichment and themed programming to mark the occasion against the backdrop of Europe's most glamorous coastlines.
