FORWARD-LOOKING STATEMENTS

This presentation contains “forward-looking” statements relating to RealPage, Inc.’s expected, possible or assumed future results; its pending acquisition of NWP Services Corporation and the benefits to be derived from such acquisition, including the opportunity to expand its footprint and introduce new solutions with greater speed and scale, and the potential contribution to the company’s total revenue growth rate; its focus on driving revenue growth and margin expansion; its focus on disciplined capital allocation and cross-selling solutions; its expenses to be incurred in connection with its headquarters move and data center expansion; and its expected future capital expenditure levels. These forward-looking statements are based on management’s beliefs and assumptions and on information currently available to management. Forward-looking statements include all statements that are not historical facts and may be identified by terms such as “expects,” “believes,” “plans,” or similar expressions and the negatives of those terms. Those forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. The company may be required to revise its results upon finalizing its review of quarterly and full year results, which could cause or contribute to such differences. Additional factors that could cause or contribute to such differences include, but are not limited to, the following: (a) the possibility that general economic conditions, including leasing velocity or uncertainty, could cause information technology spending, particularly in the rental housing industry, to be reduced or purchasing decisions to be delayed; (b) an increase in insurance claims; (c) an increase in customer cancellations; (d) the inability to increase sales to existing customers and to attract new customers; (e) RealPage, Inc.’s failure to consummate pending acquisitions or to integrate acquired businesses and any future acquisitions successfully; (f) the timing and success of new product introductions by RealPage, Inc. or its competitors; (g) changes in RealPage, Inc.’s pricing policies or those of its competitors; (h) legal or regulatory proceedings; (i) the inability to achieve revenue growth or to enable margin expansion; and (j) such other risks and uncertainties described more fully in documents filed with or furnished to the Securities and Exchange Commission (“SEC”) by RealPage Inc., including its Quarterly Report on Form 10-Q previously filed with the SEC on November 5, 2015 and its Annual Report on Form 10-K previously filed with the SEC on March 2, 2015. All information provided in this release is as of the date hereof and RealPage Inc. undertakes no duty to update this information except as required by law.

In addition to U.S. GAAP financials, this presentation includes certain non-GAAP financial measures. These historical non-GAAP measures are in addition to, not a substitute for or superior to, measures of financial performance prepared in accordance with GAAP. A reconciliation between GAAP and non-GAAP measures is included in the appendix to this presentation and is available on the Investor Relations portion of the website www.realpage.com. This presentation should also be used in conjunction with the company’s IR Fact Sheet and explanation of Non-GAAP Financial Measures, both previously furnished to the SEC by Form 8-K filed on February 23, 2016.
