# Arabian American to Present at Sixth Annual Singular Research "Best of the Uncovereds" Conference October 26, 2011

SUGAR LAND, Texas, Oct. 18, 2011 /PRNewswire/ -- Arabian American Development Co. (Nasdaq: ARSD) today announced that it will be presenting at the Singular Research Sixth Annual "Best of the Uncovereds" Conference on Wednesday, October 26th in Los Angeles.

Nick Carter, President and Chief Executive Officer, is scheduled to present at 3:30 p.m. ET (12:30 p.m. PDT). The Company will also provide a live webcast of this presentation at <http://www.singularresearch.com>.

During the remainder of the day, Arabian American management will meet with investors during a series of one-on-one breakout meetings at the conference. Interested parties should contact Singular to schedule a meeting.

The conference is being held at the Luxe Sunset Boulevard Hotel in Los Angeles.

## About Singular Research

Singular Research aims to be the most trusted supplier of independent, trusted, single-source research on small-to-micro cap companies to the small-to-medium sized hedge fund manager. Singular will provide quarterly updates for 20 to 50 companies and make recommendations. Singular's goal is to provide initiation reports and quarterly updates for approximately 40 micro to small cap companies. Singular's independent analysts have no financial interest in the stocks it covers. Analysts are compensated based on the accuracy of their research calls not through trading commissions or potential deal flow. Since inception in August 2004 Singular Research is up 151.53% through December 2010, compared to the S&P 500 at 13.90%. For more information, visit <http://www.singular-research.com/index.htm>

## About Arabian American Development Company (ARSD)

ARSD owns and operates a petrochemical facility located in southeast Texas just north of Beaumont which specializes in high purity petrochemical solvents and other solvent type manufacturing. The Company is also the original developer and now a 37% owner of Al-Masane Al-Kobra Mining Company (AMAK), a Saudi Arabian joint stock company which is in the final stages of development in Najran Province of southwestern Saudi Arabia. The mine

is scheduled to be in production in early 2012 and will produce economic quantities of copper, zinc, gold, and silver.
