## Trecora Resources to Present at the 2014 Gateway Conference on September 4

SUGAR LAND, TX -- (Marketwired) -- 08/29/14 -- Trecora Resources (NYSE: TREC), a leading provider of high purity specialty chemicals, has been invited to present at the [2014 Gateway Conference](#) which is being held on Thursday, September 4, 2014, at the Palace Hotel in San Francisco.

Trecora Resource management is scheduled to present at 4:30 p.m. Pacific time with one-on-one meetings held throughout the day. Management will present an overview of the company, discuss the recent decision to embark upon the D Train expansion at its wholly owned subsidiary, South Hampton, and provide an update its investment in Al Masane Al Kobra Mining Co.

The presentation will be webcast live and available for replay at [www.gateway-conference.com](http://www.gateway-conference.com), under the Webcast tab.

Trecora Resource management will also participate in a 10-minute video interview recorded at the conference. The interview will be hosted by popular syndicated radio personality and former investment banker, Conn Jackson. It will be posted to Gateway Conference website and the Investor Relations section of Trecora's website ([trecora.com](http://trecora.com)) shortly after the conference.

For additional information or to schedule a one-on-one meeting, log-in via the link provided in your invitation. You may also email your request to [schedule@gateway-conference.com](mailto:schedule@gateway-conference.com) or call at (949) 574-3860.

### ***About the Gateway Conference***

The Gateway Conference is designed to provide a unique gateway between influential members of the investment community and a select group of compelling publicly-traded companies. Portfolio managers, research analysts and brokers from buy-side and sell-side institutions will have the opportunity to learn about more than 60 small-cap growth companies from a number of growth industries, including technology, business services, digital media, clean-tech, consumer, Internet retail and life sciences. For more information, visit [www.gateway-conference.com](http://www.gateway-conference.com).

The invitation-only conference is hosted by Liolios Group, one of the nation's top investor relations agencies, and sponsored by leading firms that service the financial community. For more information about Liolios Group, visit [www.liolios.com](http://www.liolios.com).
