Forward-Looking Statements

The statements in this press release regarding the performance of our portfolio of investments and our ability to continue cash distributions to shareholders commensurate with our net investment income are forward-looking statements that involve a number of known and unknown risks and uncertainties. Factors that could cause actual results to differ materially from the forward-looking statements include, but are not limited to, the effects of the current state of the economy and the capital markets on our portfolio companies' financial positions and operating results and, in turn, our operating results, and our ability to raise capital or increase the amount of our debt financing to grow our portfolio of investments. Additional factors that could cause actual results to differ materially from those stated or implied by our forward-looking statements are disclosed in the Risk Factors sections of our filings with the Securities and Exchange Commission. These forward-looking statements represent our judgment as of the time of the issuance of this press release. We disclaim any intent or obligation to update these forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable law.
