Tecogen Schedules Earnings Conference Call for Thursday, August 6, 2015

WALTHAM, Mass., July 27, 2015 /PRNewswire/ -- Tecogen[®] Inc. (NASDAQ: TGEN) today announced that it will release its financial results for the second quarter of 2015 on Thursday, August 6, 2015 and will hold a conference call and webcast on the same day at 8:30 AM Eastern Standard Time.

During the call, the Company will discuss its second quarter financial performance. To listen to the audio portion, call **(888) 349-0103 within the U.S., (855) 669-9657 from Canada, or (412) 902-0129 from other international locations**. Participants should ask to be joined to the Tecogen Inc. call. Please begin dialing at least 10 minutes before the scheduled starting time. The earnings press release will be available on the Company website at www.Tecogen.com in the "News and Events" section under "About Us."

To register for the webcast and view the slides that accompany the audio, go to <https://www.webcaster4.com/Webcast/Page/1144/9802> and follow the directions shown. Participants will be required to state their name and company upon entering the call. The webcast is PC and Mac accessible. Most popular internet browsers are supported including: Internet Explorer, Fire Fox and Safari. A high speed internet connection is required. We recommend closing unnecessary programs and browser windows prior to joining.

The earnings conference call will be recorded and available for playback one hour after the end of the call through Friday, August 14th. To listen to the playback, **call (877) 344 7529 within the U.S., (855) 669-9658 from Canada, or (412) 317-0088 outside the U.S. and use Conference Number 10062381.**

The earnings conference call will also be webcast live. To register for and listen to the webcast, go to <http://investors.tecogen.com/webcast>. Following the call, the webcast will be archived for 30 days.

About Tecogen

Tecogen manufactures, installs, and maintains high efficiency, ultra-clean combined heat and power products including natural gas engine-driven cogeneration, air conditioning systems, and high-efficiency water heaters for residential, commercial, recreational and industrial use. The company is known for cost efficient, environmentally friendly and reliable products for energy production that, through patented technology, nearly eliminate criteria pollutants and significantly reduce a building's carbon footprint.

In business for over 20 years, Tecogen has shipped more than 2,300 units, supported by an established network of engineering, sales, and service personnel across the United States. For more information, please visit www.tecogen.com.
