Amesite Inc. Announces Live Interview on Bloomberg Radio's Bloomberg Markets Segment

Dr. Ann Marie Sastry, Founder & CEO of Amesite, to be interviewed on Wednesday, November 3 at 10:32 AM ET

DETROIT, Nov. 2, 2021 /PRNewswire/ -- Amesite Inc. (**NASDAQ: AMST**), the leading artificial intelligence software company offering a cloud-based learning platform and content creation services for business, university, non-profit and government agency learning and upskilling, announced today its Founder & CEO, Dr. Ann Marie Sastry, will be interviewed live on Bloomberg Radio's Bloomberg Markets segment, the world's only global 24-hour business radio station with more than 2,700 journalists and analysts in more than 120 countries. Dr. Sastry will be interviewed by Matt Miller and Paul Sweeney on Wednesday, November 3, at 10:32 AM ET.

"I look forward to speaking with Matt and Paul on Wednesday about the future of work," said Ann Marie. "Mercer, an HR and workplace benefits consulting firm performed a survey of **800 employers** and 94% stated that work productivity was the same or higher since employees started working remotely. Technological advancements enable new ways of working and in-demand workers are demanding more flexibility, resulting in higher job efficiency and better outcomes for companies."
