Dr. Knauf has practiced chiropractic since 2011 after completing his chiropractic prerequisites at the University of Minnesota and both his BS in human biology and his Doctorate of Chiropractic at Northwestern Health Sciences University. Dr. Knauf had studied pre-dental before switching to pre-chiropractic after his recovery from an elbow injury that, after several failed attempts using other approaches, was successfully treated through regular, ongoing chiropractic care.

"I attribute my good health and well-being to getting weekly adjustments to ensure my body is operating at its maximum potential," said Dr. Knauf. "I am passionate about providing quality, affordable chiropractic care to the people of Arizona so they, too, can feel the [benefits of regular chiropractic care.](#)"

The Joint Corp. is one of the fastest-growing operators and franchisors in healthcare. The company is reinventing chiropractic care through a consumer-friendly model that removes many of the traditional obstacles to healthcare.
