Ingram Micro Wins 2018 Dell EMC Global Distributor of the Year Award

IT Distributor Recognized for Global Collaboration and Success as part of the 2018 Dell EMC Global Partner Summit

IRVINE, Calif.--(BUSINESS WIRE)-- [Ingram Micro Inc.](http://www.ingrammicro.com) today announced it has earned the 2018 Dell EMC Global Distributor of the Year Award. This marks the second consecutive year Ingram Micro has received this prestigious recognition from Dell EMC.

Ingram Micro received top honors among a global field of Dell EMC partners based on a combination of metrics, including extraordinary sales performance and significant investment and commitment to the Dell EMC business.

"It's an honor for Ingram Micro to be recognized for the continued work and collaboration put forth by our teams around the globe with Dell EMC," said Sabine Howest, vice president, Global Partner Engagement, Ingram Micro. "We are proud of our long-standing relationship with Dell EMC and remain committed to growing this business at an accelerated pace to best serve and support the global IT channel."

Ingram Micro continues to make impactful incremental investments around the globe to enhance and expand its Dell EMC business. The efforts have resulted in exceptional year-over-year business growth and differentiated Ingram Micro's ability to deliver superior business development, technical and supply chain leadership, as well as greater expertise across the Dell EMC portfolio.

"Our partners extend and enhance Dell EMC's reach and power to do more for customers. With that, we are pleased to name Ingram Micro as the Dell EMC Global Partner of the Year," said Michael Collins, Senior Vice President, Channel, EMEA, Dell EMC. "We offer our congratulations as Ingram Micro has demonstrated their investment and expertise in Dell EMC's portfolio of solutions designed to help their customers successfully navigate the digital transformation."

The Dell EMC Annual Partner recognition program is intended to recognize partners for their extraordinary performance, support and ongoing commitment to Dell EMC. Partners are recognized across various award categories based on partner type/track, including growth, services, storage, server and client solutions.

The award was presented to Ingram Micro earlier this month during the annual Dell EMC World Global Partner Summit in Las Vegas, NV.
