Shift4 Payments Will Power BetMGM's Online Gaming and Sportsbook Platform

ALLENTOWN, Pa.--(BUSINESS WIRE)-- Shift4 Payments (NYSE: FOUR), the leader in integrated payment processing solutions, today announced that it will be the preferred payments provider for BetMGM, a leading online gaming and sports betting platform.

Shift4 will power online gaming and sports betting transactions through BetMGM's website and mobile application, using the company's end-to-end processing technology. Shift4's best-in-class payment platform features PCI-validated point-to-point encryption and advanced tokenization technology to deliver a secure, integrated payment solution.

"We are excited to provide our seamless and secure payment solution to BetMGM and their customers," states Shift4 CEO Jared Isaacman. "Shift4 already processes payments for half the casinos on the Las Vegas strip and across the country, and this partnership with BetMGM will enable us to leverage that expertise as we move aggressively into online gaming and sports betting markets."

"Shift4's end-to-end solution will deliver a superior payment experience for our customers, with a streamlined transaction experience and enhanced security. The company's technology, capabilities, security, and service made it an easy decision to partner with them," says Maria Tomlinson, Head of Payments at BetMGM.
