Liberty Announces Semi-Annual Payment on 3.5% Senior Exchangeable Debentures Due 2031

Results in Further Reduction of Adjusted Principal Amount

ENGLEWOOD, Colo., July 15 /PRNewswire-FirstCall/ -- Liberty Media LLC ("Liberty"), a subsidiary of Liberty Media Corporation (Nasdaq: LCAPA, LCAPB, LINTA, LINTB, LMDIA, LMDIB), announced a semi-annual payment to the holders of its 3.5% Senior Exchangeable Debentures due in 2031 (the "Debentures"). The amount of the payment is $17.50 per $1,000 of original principal amount of the Debentures.

This semi-annual payment will result in the further reduction of the adjusted principal amount of the Debentures. As previously announced, the principal amount of the Debentures was reduced in the amount of $162.616 per Debenture, resulting in an adjusted principal amount equal to $837.384 per Debenture. This adjustment resulted from an extraordinary distribution of cash that was paid to bondholders on January 10, 2007 in accordance with the indenture governing the Debentures (the "Indenture"). This extraordinary distribution arose from Freescale Semiconductor's merger with an entity controlled by a consortium of private equity firms in exchange for cash. At that time, Liberty announced that, in accordance with the Indenture, the adjusted principal amount of the Debentures would be further reduced on each successive semi-annual interest payment date to the extent necessary to cause the semi-annual payment on that date to represent the payment by Liberty, in arrears, of an annualized yield of 3.5% of the adjusted principal amount of the Debentures.

The adjustments described above will not affect the amount of the semi- annual payments received by holders of the debentures, which will continue to be a rate equal to 3.5% per annum of the original principal amount of the Debentures. Below is a detail of the amount of the payment being made on the Debentures, its allocation between payment of interest and repayment of principal and the revised adjusted principal amount resulting from the payment, per $1,000 of original principal amount of the Debentures:

July 15, 2009 Beginning Adjusted Principal	Payment	Interest	Additional Payment of Principal	July 15, 2009 Ending Adjusted Principal
825.6985	$17.50	14.4497	3.0503	822.6482

The semi-annual interest payment and additional distribution are expected to be made on July 15, 2009 to holders of record of the Debentures on July 1, 2009.
