

Company Overview

Surge Holdings, Inc. is a retail supply chain company leveraging blockchain technology to provide a virtual distribution hub for retailers, as well as offer telecom services for low income customers and financial payment services for the unbanked and under-banked. Surge products are delivered through a nationwide network of convenience stores and corner markets connected to the SurgePays™ retail blockchain network. This retail platform is designed to transform the traditional supply chain by providing local retailers seamless access to global products, and empowers the corner store to select, order and fulfill delivery of wholesale goods from around the country. This platform also provides manufacturers a cost-effective and efficient platform to access local retailers.
