Forward Looking Statements

This document includes "forward-looking statements" as defined by the U.S. securities laws. Forward-looking statements are those concerning VAALCO's plans, expectations, and objectives for future drilling, compliance with applicable laws, future labor issues, completion and other operations and activities. All statements included in this document that address activities, events or developments that VAALCO expects, believes or anticipates will or may occur in the future are forward-looking statements. These statements include future production rates, reserve opportunities, drilling, completion and production timetables and

costs to complete wells. These statements are based on assumptions made by VAALCO based on its experience perception of historical trends, current conditions, expected future developments and other factors it believes are appropriate in the circumstances. Such statements are subject to a number of assumptions, risks and uncertainties, many of which are beyond VAALCO's control. These risks include, but are not limited to, volatility of oil and natural gas prices, future production costs, future production quantities, the uncertainty of estimates of oil and natural gas reserves, the ability to replace reserves, inflation, lack of availability of drilling and other equipment, availability of services and capital, environmental risks, drilling and production risks, general economic risks, the ability to attract a new partner in Angola, actions of VAALCO's working interest partners and government authorities, foreign operational risks and regulatory compliance and changes. Investors are cautioned that forward-looking statements are not guarantees of future performance and that actual results or developments may differ materially from those projected in the forward-looking statements. These risks are further described in VAALCO's annual report on Form 10-K for the year ended December 31, 2010, quarterly report on Form 10-Q for the period ended September 30, 2010 and other reports filed with the SEC which can be reviewed at <http://www.sec.gov>, or which can be received by contacting VAALCO at 4600 Post Oak Place, Suite 309, Houston, Texas 77027, (713) 623-0801.
