Forward Air Acquires Value Logistics, Inc. to Bolster Intermodal Drayage Offering

GREENEVILLE, Tenn.--(BUSINESS WIRE)-- Forward Air Corporation (NASDAQ: FWRD) (the "Company" or "Forward") is executing a growth strategy that involves organic infrastructure investments, such as the ongoing LTL network expansion, as well as inorganic investments, including acquisitions of complementary businesses. As part of the inorganic growth strategy, Forward today announced that it has entered into an agreement to acquire the assets of Value Logistics, Inc. ("Value Logistics"), a privately held intermodal drayage provider for \$2.25 million. Value Logistics generates approximately \$6 million in annual revenue. The transaction will be funded from cash on hand and will close in October 2020.

Headquartered in Memphis, Tenn., Value Logistics has been in business since 1996. Since then, the company has shown steady growth and currently operates with 20 employees and approximately 30 independent contractors.

The acquisition of Value Logistics makes Forward a leading provider of intermodal drayage in the Memphis market, a key expansion in the Company's strategic growth plan.

Tom Schmitt, President, Chairman and CEO stated, "The Value Logistics team is an exceptional and highly-experienced group running a first-class organization – and they will fit in perfectly with Forward's precision execution DNA. With this acquisition, we are able to expand and strengthen our current operations in Memphis and solidify Forward Intermodal as a key player in the region."
