Phunware to Double Location Based Services Software Coverage at Baptist Health South Florida

Contract Expansion Adds Over 3 Million Square Feet

AUSTIN, Texas, Jan. 07, 2021 (GLOBE NEWSWIRE) -- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the "Company"), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, announced today that it has closed a contract expansion for its [Multiscreen-as-a-Service \(MaaS\)](#) platform and patented [MaaS Location Based Services \(LBS\)](#) at [Baptist Health South Florida \(BHSF\)](#) through its channel partnership with [Presidio](#).

Founded in 2003, Presidio is a leading information technology solutions provider that assists nearly 7,000 middle market, enterprise and government clients in harnessing technology innovation and simplifying information technology complexity to digitally transform their businesses and drive return on information technology investment. Founded in 1960, Baptist Health South Florida operates seven hospitals and 50 outpatient and urgent care centers, including approximately 23,000 employees and more than 4,000 physicians making it Florida's second largest employer.

Presidio's expanded deployment of Phunware's MaaS platform at BHSF enables even more patients, staff members and visitors to seamlessly engage with critical healthcare functions and navigate across an additional 3.1 million square feet of medical facilities, bringing the total [MaaS LBS](#) coverage to 6.3 million square feet and the total contract value to more than \$1 million. Phunware's patented [MaaS LBS](#) software and [beacon maintenance](#) solution delivers proximity, sub one-second, real-time blue dot indoor positioning, navigation and wayfinding functionality across BHSF campuses and facilities while simplifying and streamlining the underlying beacon deployment and management for both BHSF facility staff and administrators. The software is not only [ADA compliant](#), addressing the needs of anyone who is visually impaired, hearing impaired or wheelchair bound, but it also transitions seamlessly between indoor and outdoor environments as well.

"Baptist Health South Florida's leadership is further raising the bar for digital transformation in healthcare, truly tech-enabling the entire patient experience at their facilities," said [Alan S. Knitowski](#), President, CEO and Co-Founder of Phunware. "We are thrilled to support a channel partner like Presidio, who is committed to ensuring that BHSF is able to effectively implement cutting-edge technology standardized on our MaaS LBS software and mobile infrastructure."

Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
