CHANHASSEN, Minn., April 8, 2024 /PRNewswire/ -- [Life Time](#) (NYSE: LTH) is celebrating National Pickleball Month with the opening of its first dedicated, ground-up pickleball development on April 8, 2024.

[Life Time Chanhassen Pickleball](#) is located adjacent to the Life Time Chanhassen, Minn., athletic country club and the Company's headquarters. Spanning a total of nearly 46,000 square feet, the club features eight indoor and seven outdoor courts with accompanying viewing areas, a bar and lounge, dressing rooms, retail and more.

In 2021, Life Time committed to quickly become the premier destination for pickleball in the United States. Since that time, the company has grown as the largest owner and operator of pickleball courts, with more than 630 across more than 130 athletic country clubs. Life Time saw staggering growth in members embracing the sport from 2021 through 2023, and the popularity of pickleball continues to grow exponentially nationwide with more than 36.5 million pickleball players today.

To continue Life Time's efforts to elevate the profile, programming, leagues and community of tennis and pickleball, the Company created the Life Time Pickleball and Tennis Board in February 2024. Led by tennis legend and pickleball enthusiast, Andre Agassi, and Bahram

Akradi, Life Time Founder, Chairman and CEO, the board will serve to further advance a vibrant racquet sports community within Life Time clubs and across the country by fostering awareness, excitement, and support for the sports among people of all ages and skill levels. Life Time already boasts lessons, leagues, clinics, tournaments and more for kids and adults.

Life Time members with a Premier membership will have the opportunity to experience the new destination's pickleball open play, leagues, tournaments, skill building and much more. A limited number of memberships are available.

In Minnesota, Life Time operates more than 84 pickleball courts across 15 locations. For more information, including membership details, visit the [Life Time Pickleball website](#).
