About Veritone

Veritone, Inc. (NASDAQ: VERI) is a leading artificial intelligence company that has developed the Veritone Platform, which unlocks the power of AI-based cognitive computing to transform and analyze unstructured public and private audio and video data for clients in the media, politics, legal and government markets. The open platform integrates an ecosystem of best-of-breed cognitive engines and powerful applications, which can be orchestrated together to reveal valuable, multivariate insights from users' data.
