MindMed CEO & Co-Founder J.R. The entire MindMed team is looking forward to learning from Dr. Vinson's years of experience delivering mental health care services and how we can tackle the seminal problem of accessibility around the new treatment paradigm MindMed is working on."

The Company will also be putting forward Dr. Vinson as an additional nominee for election to its board of directors (the "Board") at its upcoming annual and special meeting of shareholders to be held on May 27, 2021 (the "Meeting").

In order to add Dr. Vinson as an additional director nominee at the Meeting, it is anticipated that motions will be made to amend the resolutions put before the Meeting regarding (i) the fixing of the number of directors to be elected; and (ii) the director nominees to be elected at the Meeting, as further described below. Management of the Company intends to rely on its discretionary authority granted in the proxies currently being solicited in conjunction with the Company's management information circular dated April 19, 2021 in respect of the Meeting (the "Circular") to vote FOR the foregoing amendments and the election of Dr. Vinson as a director. The Circular is available on SEDAR ([www.sedar.com](http://www.sedar.com)) and <https://odysseytrust.com/client/mindmedicine>.

As described in the Circular, the Board has recently undertaken a process to increase independent representation on the Board and its audit committee. Dr. Vinson represents an additional independent director on the Board, and will also fill the current vacancy on the Company's audit committee. Dr. Vinson is considered financially literate and independent for the purposes of National Instrument 52-110. Additionally, the Board believes that the addition of Dr. Vinson as a director will enhance the overall skill set of the Board given her relevant industry expertise.
