Weave Names Abhi Sharma as Chief Technology Officer

LEHI, Utah--(BUSINESS WIRE)-- Weave (NYSE: WEAV), a leading all-in-one customer experience and payments software platform for small and medium-sized healthcare businesses, today announced the appointment of Abhi Sharma as the company's Chief Technology Officer (CTO).

Abhi brings deep expertise in leading global R&D organizations and driving AI-powered innovation at scale. His career includes senior leadership roles at Salesforce, Oracle, Amazon, and Microsoft. Most recently, he led R&D within Twilio's $4 billion Communications business, where he scaled infrastructure to support over a trillion emails and 150 billion messages annually, while pioneering AI-driven omnichannel solutions.

Since joining Weave five months ago, Abhi has made an immediate and meaningful impact. He has built a strong technical vision, brings a customer-first mindset, and thoughtful, data-driven approach to decision-making. Abhi fosters alignment across teams and exemplifies the collaborative, people-centered culture that defines Weave.

"We're thrilled to elevate Abhi into the role of CTO," said Brett White, CEO of Weave. "His leadership and experience are already accelerating our innovation roadmap. As we bring our vision for AI-powered workflow automation to reality, Abhi will play a critical role in scaling our technology and delivering even more value to our customers."

In his role as CTO, Abhi will lead Weave's technology strategy and execution as the company continues to invest in AI and unify its platform with TrueLark, which Weave acquired in May 2025.
