Destination Highlights

Untouched and full of wildlife, **Klawock** is the Alaska that seasoned travelers yearn to experience. In 2023, Oceania Cruises will be the very first cruise line to call on this port. The town has been a native Tlingit village for thousands of years and features one of the most extensive collections of totems in the world.

Once a Tlingit Native American stronghold, then a Russian outpost, and finally an American settlement in 1867, **Wrangell** has endured dramatic change and honors it. In Wrangell, explorers can learn the daily happenings of a local from an Alaskan guide, fishing for traditional catches such as salmon and halibut, and discovering the native Tlingit's influence on the community.

Adventures abound in **Juneau**, where thrill-seekers can go glacier-trekking on Mendenhall Glacier or even sea-kayaking through the coastal waterways traveled for centuries by the Aleut Native Americans. Foodies will enjoy the "Flavors of Juneau" shore excursion with a visit to the Alaskan Brewing Company and Chez Alaska Cooking School.

Enjoy local beers in **Skagway** following a day of rock climbing and rappelling down steep granite cliffs or an afternoon soaring the skies in a helicopter. For a more relaxed adventure, take a ride on the White Pass and Yukon Route Railroad and marvel at the trail that the gold rushers etched into the high mountain pass.

Icy Strait Point offers ample opportunities to explore the unspoiled wilderness all around. Search for bears, deer and bald eagles in their natural habitat in the remote Spasski River Valley outside of **Hoonah**. Get immersed in Tlingit culture, song and storytelling at the Heritage Center or embark on an adrenaline-fueled ZipRider experience on the world's largest zip line.

In **Ketchikan**, join the captain and crew for an extraordinary journey of discovery on the *Aleutian Ballad*, the storied crab boat from Discovery Network's "**Deadliest Catch**." Or guests can partake in a personalized fishing expedition where their catch is prepared by a personal chef as the main course of a gourmet lunch, served around a crackling campfire amidst the centuries-old Alaska rainforest.

Go deep-sea sport fishing for salmon in **Sitka**. Visit the world-famous Alaska Raptor Center, one of the largest rehabilitation centers for injured eagles, hawks, falcons and owls, and witness the magnificence of sea otters, whales, sea lions, porpoises and brown bears on a "Sea Otter and Wildlife Quest" shore excursion.

Shipboard Highlights

Oceania Cruises' sleek and elegant *Regatta* features four unique, open-seating restaurants serving The Finest Cuisine at Sea[®], a world-class fitness center and spa, eight lounges and bars, a casino and 333 lavish suites and luxurious staterooms, nearly 70% of which feature private verandas – perfect for viewing Alaska's stunning landscapes.
