MicroVision Prices \$6.0 Million Offering of Common Stock

REDMOND, Wash.--(BUSINESS WIRE)-- [MicroVision, Inc.](#) (NASDAQ: MVIS), a leader in innovative ultra-miniature laser display and imaging technology, today announced the pricing of an underwritten public offering of 3,529,412 shares of its common stock at a public offering price of \$1.70 per share, for gross proceeds of approximately \$6.0 million. MicroVision also granted the underwriter a 30-day option to purchase up to an additional 529,411 shares of common stock to cover over-allotments, if any.

Northland Capital Markets is acting as underwriter in the offering.

MicroVision expects to receive net proceeds, after deducting the underwriting discount and estimated offering expenses, of approximately \$5.4 million from the offering. MicroVision intends to use the net proceeds for general corporate purposes. The offering is expected to close on or about March 28, 2016, subject to the satisfaction of customary closing conditions.

The securities described above are being offered by MicroVision pursuant to its registration statement on Form S-3 (Registration No. 333-192864) previously filed and declared effective by the Securities and Exchange Commission (SEC). This press release does not constitute an offer to sell or a solicitation of an offer to buy the securities in the offering, nor shall there be any sale of these securities in any jurisdiction in which an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction. The offering may be made only by means of the prospectus supplement and the accompanying prospectus relating to the proposed offering. The preliminary prospectus supplement and accompanying prospectus related to the offering have been filed with the SEC, and a final prospectus supplement and accompanying prospectus related to the offering will be filed with the SEC, and will be available on the SEC's website located at <http://www.sec.gov> and may also be obtained, when available, from Northland Capital Markets at 45 South Seventh Street, Suite 2000, Minneapolis, Minnesota 55402, via telephone toll free at (800) 851-2920 or via email to hletcher@northlandcapitalmarkets.com.

Northland Capital Markets is the trade name for certain capital markets and investment banking services of Northland Securities, Inc., member FINRA/SIPC.

About MicroVision

MicroVision is the creator of PicoP® scanning technology, an ultra-miniature laser projection and imaging solution based on the laser beam scanning methodology pioneered by the company. Forward-looking Statements

Certain statements contained in this release, including those relating to closing of the offering, and those statements using words such as "designed to," "intends" and "expects" are forward-looking statements that involve a number of risks and uncertainties that could cause actual results to differ materially from those in the forward-looking statements. These risks and uncertainties include, but are not limited to: our ability to successfully complete the offering on terms and conditions satisfactory to us; the possible adverse impact on the market price of our shares of common stock due to the dilutive effect of the securities to be sold in the offering; capital market risks; our ability to raise additional capital when needed; our, or our customers', failure to perform under open purchase orders; our financial and technical resources relative to those of our competitors; our ability to keep up with rapid technological change; government regulation of our technologies; our ability to enforce our intellectual property rights and protect our proprietary technologies; the ability to obtain additional contract awards; the timing of commercial product launches and delays in product development; the ability to achieve key technical milestones in key products; dependence on third parties to develop, manufacture, sell and market our products; potential product liability claims; and other risk factors identified from time to time in the company's SEC reports, including our Annual Report on Form 10-K filed with the SEC. Except as expressly required by federal securities laws, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, changes in circumstances or any other reason.
