## **Coveo Solutions Inc.'s Modern Slavery Report**

---

You are receiving this notification as Coveo Solutions Inc. (the "Corporation") has decided to use the notice and access procedures for delivery of the 2025 Modern Slavery Report (the "Report") to its shareholders and to advise that the Report is available on the Internet. Under the notice and access procedures, instead of receiving paper copies of the Report, shareholders receive a copy of this notice. This notice is provided to you in accordance with Section 13(2) of the *Fighting Against Forced Labour and Child Labour in Supply Chains Act* which requires the Corporation, as an entity incorporated under the *Canada Business Corporations Act*, to deliver the Report to its shareholders along with its financial statements for the financial year ended March 31, 2025 (the "Financial Statements"), which are delivered to you through the use of notice and access. Please refer to the Corporation's Notice of Annual General Meeting of Shareholders and of Availability of Proxy Materials for more information on how to access the Financial Statements. Using the notice and access model for delivery reduces the Corporation's environmental footprint and substantially reduces its printing and mailing costs.
