Save the Date: Harris & Harris Group "Meet the Portfolio Day" Wednesday April 30, 8am-1pm, The Harvard Club

CEO's Presenting From Seven of Our Most Exciting Portfolio Companies

NEW YORK, March 12, 2014 (GLOBE NEWSWIRE) -- Harris & Harris Group, Inc. (Nasdaq:TINY), an investor in transformative companies enabled by disruptive science, will be hosting "Meet the Portfolio Day" on Wednesday, April 30, 2014, at the Harvard Club in New York City, from 8 a.m. to 1 p.m. The CEOs of seven of our portfolio companies working in critical areas such as supercomputing, diabetes, cancer and agriculture will be presenting. We are excited to present an update on our corporate strategy as well.

Invited executives from Metabolon, D-Wave Systems, Adesto Technologies, HzO, Champions Oncology, Echopixel and AgBiome are expected to present.

Our portfolio will be of interest to financial, healthcare technology, technology and electronics investors. In addition, both small and microcap growth and value investors are encouraged to attend. If you are interested in attending, please contact Rob Burns, Senior Vice President of Harris & Harris Group, at 212-582-0900 or via email at rob@hhvc.com.

Detailed information about Harris & Harris Group and its holdings can be found on its website at www.HHVC.com and on Facebook at www.facebook.com/harrisharrisvc.

This press release may contain statements of a forward-looking nature relating to future events. These forward-looking statements are subject to the inherent uncertainties in predicting future results and conditions. These statements reflect the Company's current beliefs, and a number of important factors could cause actual results to differ materially from those expressed in this press release. Please see the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2012, as well as subsequent filings, filed with the Securities and Exchange Commission for a more detailed discussion of the risks and uncertainties associated with the Company's business, including, but not limited to, the risks and uncertainties associated with venture capital investing and other significant factors that could affect the Company's actual results. Except as otherwise required by Federal securities laws, the Company undertakes no obligation to update or revise these forward-looking statements to reflect new events or uncertainties.
