Harris & Harris Group Launches Blog Series to Highlight Most Impactful Portfolio Companies

NEW YORK, March 25, 2014 (GLOBE NEWSWIRE) -- Harris & Harris Group, Inc. (Nasdaq:TINY), an investor in transformative companies enabled by disruptive science, has initiated a series of detailed blog postings that will provide current and future investors an opportunity to take a deeper look into the potentially most impactful companies in our portfolio.

Over the coming months, we would like to ensure that current and future investors are more familiar with those companies potentially driving significant value to shareholders. This series of blogs is an opportunity to provide a practical view of the companies and the technologies that we believe are important to the future of Harris & Harris Group.

Currently, we plan to release blogs on D-Wave Systems, Inc., Metabolon, Inc., Champions Oncology, Inc., HzO, Inc., Produced Water Absorbents, Inc., and Adesto Technologies Corporation. We may expand this series to include other companies in our portfolio as these companies mature and based on feedback from shareholders.

We posted our first blog of this series on D-Wave Systems today. The blogs can be viewed at <http://www.hhvc.com/blog>.
