Paychex Launches Online Resource Center for Accounting Professionals

ROCHESTER, N.Y.--(BUSINESS WIRE)--

As part of its ongoing commitment to the accounting community, Paychex, Inc., a leading provider of payroll and human resource services, has launched the Paychex Accountant Knowledge Center, an online resource center available on the accounting portal of www.paychex.com.

Powered by BNA and CCH, both respected leaders in tax and accounting information and research, this free and convenient Web-based tool is designed to give accountants access to authoritative payroll, human resources, and financial tools, providing accounting professionals with the power to deliver increased client value.

The site includes features such as:

- current industry news feeds
- payroll resources that include a searchable database of answers to frequently asked payroll questions, and downloadable payroll and employment forms
- HR resources to provide solutions to human resources issues and access to interactive HR and personnel forms
- comprehensive state compliance resources, local wage and tax information, and an opt-in e-mail alert service to help users stay current with state regulations
- over 150 interactive financial calculators on everything from retirement plans to mortgage refinancing to debt consolidation.

"The Paychex Accountant Knowledge Center provides a convenient and reliable way for accountants to access information that will assist them in their role as their clients' most trusted advisor," said Walter Turek, Paychex senior vice president of sales and marketing. "It provides a single stopping point for the latest information on payroll and HR compliance, which allows for enhanced accountant-client relationships."

Since the Paychex Accountant Knowledge Center launched last month, more than 4,000 accounting professionals have registered. "I'm already recommending the Paychex Accountant Knowledge Center to other CPAs," said Michael Johnson of Johnson CPA in Denver, Colorado. "It's proven to be a very useful tool in searching for information - it's much quicker than scanning hard-copy guides and literature."

"I like the fact that the Paychex Accountant Knowledge Center monitors all payroll-related changes in tax law, and that Paychex makes them available and easy to find at no cost,"

said Keith Cochran, a CPA from Ringgold, Georgia.

To begin accessing all the resources available through the Paychex Accountant Knowledge Center, simply visit <http://accounting.paychex.com>.

Paychex is proud to be the preferred provider of payroll and retirement services for CPAs and their clients through the AICPA Business Solutions Program.
