About Hannon Armstrong

Hannon Armstrong makes debt and equity investments in sustainable infrastructure projects. We focus on profitable projects that increase energy efficiency, provide cleaner energy,

positively impact the environment or make more efficient use of natural resources. We began our business more than 30 years ago, and since 2000, using our direct origination platform, we have provided or arranged over \$4.0 billion of financing in more than 450 sustainable infrastructure transactions. Hannon Armstrong targets projects that have high credit quality obligors, fully contracted revenue streams and inherent economic value.

Hannon Armstrong Sustainable Infrastructure Capital, Inc., based in Annapolis, MD, has elected to be taxed as a real estate investment trust, or REIT, for federal income tax purposes.
