We believe that the virtual meeting format enables stockholders to attend and participate from any location at no cost, provides for cost savings to Dogwood Therapeutics, Inc. Other than the proposals described in the Proxy Statement, the Board of Directors is not aware of any other matters to be presented for a vote at the Annual Meeting.

Your vote is important. Whether or not you plan to virtually attend the Annual Meeting, we strongly urge you to vote as soon as possible to ensure that your shares are represented. Information about voting methods is set forth in the accompanying Notice and Proxy Statement.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND OUR ANNUAL MEETING

Q: Why am I receiving these materials?

A: You have received these proxy materials because the Board is soliciting your proxy to vote your shares at the Annual Meeting. These proxy solicitation materials are being mailed on or about April 30, 2025 to our stockholders of record as of the close of business on April 29, 2025 (the “Record Date”).

Q: What is included in these materials?

A: These materials include:

- this Proxy Statement for the Annual Meeting;
- a proxy card for the Annual Meeting; and
- our Annual Report on Form 10-K.

Q: Who is entitled to vote?

A: Only stockholders of record as of the Record Date shall be entitled to notice of, and to vote at, the Annual Meeting. During the ten days prior to the Annual Meeting, you may inspect a list of stockholders eligible to vote. If you would like to inspect the list, please call our Corporate Secretary at 1-866-620-8655 to arrange an inspection. The list will also be available on request during the Annual Meeting.

Q: How many shares of common stock can vote?

A: There were 1,911,128 shares of our common stock outstanding as of the Record Date. Each stockholder entitled to vote at the Annual Meeting may cast one vote for each share of common stock owned by such stockholder that has voting power upon each matter considered at the Annual Meeting. Our stockholders do not have the right to cumulate their votes in elections of directors.

Q: What may I vote on?

A: You may vote on the following matters:

1. the election of seven directors who have been nominated to serve on our Board;
2. the ratification of the selection of Forvis Mazars, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2025;
3. the vote to approve the amendment to the Dogwood Therapeutics, Inc. Amended and Restated 2020 Equity Incentive Plan; and
4. any other business that may properly come before the Annual Meeting and any adjournment or postponement thereof.

Q: Will any other business be presented for action by stockholders at the Annual Meeting?

A: Management knows of no business that will be presented at the Annual Meeting other than Proposals 1, 2 and 3. If any other matter properly comes before the Annual Meeting, the persons named as proxies in the accompanying proxy card intend to vote the proxies (which confer discretionary authority to vote on such matters) in accordance with their judgment on the matter.

Q: How does the Board recommend that I vote on each of the proposals?

A: Our Board recommends a vote “FOR” each of the director nominees; a vote “FOR” the ratification of Forvis Mazars, LLP as our independent registered public accounting firm for the year ending December 31, 2025; and a vote “FOR” the vote to approve the amendment to the Dogwood Therapeutics, Inc. Amended and Restated 2020 Equity Incentive Plan.

Q: How do I vote my shares?

A: The answer depends on whether you own your shares of common stock of the Company directly (that is, you hold shares that show your name as the registered stockholder) or if your shares are held in a brokerage account or by another nominee holder.

If you own shares of the Company directly (i.e., you are a “registered stockholder”): your proxy is being solicited directly by us, and you can vote by Internet, by telephone, by mail or you can vote at our Annual Meeting. You are encouraged to vote prior to the Annual Meeting to ensure that your shares will be represented.

If you wish to vote by Internet, before the meeting, go to www.proxyvote.com. Have your proxy card in hand when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form.

If you wish to vote by telephone, call 1-800-690-6903. Use any touch-tone telephone to transmit your voting instructions. Have your proxy card in hand when you call and follow the instructions.

If you wish to vote by mail, mark, sign and date your proxy card and return it in the postage-paid envelope we have provided or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

If you sign your proxy card but do not indicate how you wish to vote, the proxies will vote your shares “FOR” each of the seven director nominees, “FOR” the ratification of Forvis Mazars, LLP as our independent registered public accounting firm, “FOR” the vote to approve the amendment to the Dogwood Therapeutics, Inc. Amended and Restated 2020 Equity Incentive Plan; and, in their discretion, on any other matter that properly comes before the Annual Meeting. Unsigned proxy cards will not be counted.

If you wish to vote at the Annual Meeting, please follow the instructions that will be available at <https://agm.issuerdirect.com/dwtx-2025> during the Annual Meeting.

If you hold your shares of the Company through a broker, bank or other nominee (i.e., you are a “beneficial owner”): your shares are held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your bank, broker or other agent or nominee on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not be able to vote your shares at the meeting or by proxy unless you request and obtain a power of attorney or other proxy authority from your bank, broker or other agent or nominee.

Even if you plan to virtually attend the Annual Meeting, we recommend that you vote in advance so that your vote will be counted if you later decide not to attend the Annual Meeting. You may also be able to vote by telephone, via the Internet, or at the Annual Meeting, depending upon your voting instructions. Please refer to the instructions provided with your voting instruction card and see “What do I need to do to attend the Annual Meeting virtually?” below for information about voting in these ways. See also “What is the effect if I fail to give voting instructions to my broker or other nominee?” below.

Q: What are the procedures for attending and participating in the Annual Meeting?

- A:** The Annual Meeting will be a completely virtual meeting. There will be no physical meeting location. The meeting will be conducted online. To participate in the virtual meeting, visit <https://agm.issuerdirect.com/dwtx-2025> (the “Annual Meeting Website”) and enter the control number included on your proxy card or on the instructions that accompanied your proxy materials. You are entitled to attend our Annual Meeting only if you were a stockholder as of the Record Date.

Online check-in to the Annual Meeting will begin at 9:45 a.m. Eastern Time, and we encourage stockholders to log in early to allow ample time to test their computer audio system.

To participate in the Annual Meeting, you will need the 16-digit control number found on your proxy card or the instructions that accompany your proxy materials. If your shares are held in the name of a bank, broker or other holder of record, you should follow the instructions provided by your bank, broker or other holder of record to be able to participate in the Annual Meeting.

Q: Will I have the same participation rights in this virtual-only stockholder meeting as I would have at an in-person stockholder meeting?

A: Yes. If you register to attend, and attend, the Annual Meeting pursuant to the instructions above, you will be able to vote online during the Annual Meeting, change a vote you may have submitted previously, or ask questions online that will be reviewed and, if appropriate, answered by the speakers.

Q: What is a proxy?

A: A proxy is a person you appoint to vote on your behalf. By using any of the methods discussed above, you will be appointing as your proxies Greg Duncan and Angela Walsh. They may act together or individually on your behalf and will have the authority to appoint a substitute to act as proxy. Whether or not you expect to attend the Annual Meeting, we request that you please use the means available to you to vote by proxy so as to ensure that your shares of common stock may be voted.

Q: What is the effect if I fail to give voting instructions to my broker or other nominee?

A: If your shares are held by a broker or other nominee, you *must* provide your broker or nominee with instructions on how to vote your shares for Proposal 1 and Proposal 3 in order for your shares to be counted. If you hold your shares in one of these ways, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares. If you hold your shares in street name, your broker, bank or other nominee has enclosed a voting instruction card for you to use in directing your broker, bank or other nominee in how to vote your shares. We encourage you to provide voting instructions to your broker, bank or other nominee.

Brokers, banks or other nominees that are member firms of the Nasdaq Capital Market and who hold shares in street name for customers have the discretion to vote those shares with respect to certain matters if they have not received instructions from the beneficial owners. Brokers, banks or other nominees will have this discretionary authority with respect to routine matters such as Proposal 2; however, they will not have this discretionary authority with respect to non-routine matters, including Proposal 1 and Proposal 3. With respect to non-routine matters, if beneficial owners do not provide voting instructions, these are called “broker non-votes.”

In the event of a broker non-vote, such beneficial owners’ shares will be included in determining whether a quorum is present, but otherwise will not be counted. In addition, abstentions will be included in determining whether a quorum is present but otherwise will not be counted. Thus, a broker non-vote or an abstention will make a quorum more readily obtainable, but a broker non-vote or an abstention will not otherwise affect the outcome of a vote on a proposal that requires a plurality of the votes cast, and a broker non-vote or an abstention will not otherwise affect the outcome of a vote on a proposal that requires a majority of the votes cast. A broker non-vote or an abstention with respect to a proposal that requires the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote or that requires the affirmative vote of a majority of the shares outstanding will, however, have the same effect as a vote against the proposal. See “What vote is required to approve each proposal?” below.

We encourage you to provide voting instructions to the organization that holds your shares.

Q: What if I want to change my vote or revoke my proxy?

A: A registered stockholder may change his or her vote or revoke his or her proxy at any time before the Annual Meeting by (i) going to www.proxyvote.com and log in using your 16-digit control number provided on your proxy card, or voting instruction form, (ii) attending and voting at the Annual Meeting, or (iii) submitting a later dated proxy card. We will count your vote in accordance with the last instructions we receive from you prior to the closing of the polls, whether your instructions are received by mail or at the Annual Meeting. If you hold your shares through a broker, bank or other nominee and wish to change your vote, you must follow the procedures required by your nominee.

Q: What is a quorum?

A: The holders of one-third of the 1,911,128 shares of common stock outstanding and entitled to vote as of the Record Date, either present or represented by proxy, constitutes a quorum. A quorum is necessary in order to conduct the Annual Meeting. If you choose to have your shares represented by proxy at the Annual Meeting, you will be considered part of the quorum. Broker non-votes and abstentions will be counted as present for the purpose of establishing a quorum. If a quorum is not present by attendance the Annual Meeting or represented by proxy, the stockholders present by attendance at the meeting or by proxy may adjourn the Annual Meeting until a quorum is present. If an adjournment is for more than 30 days or a new record date is fixed for the adjourned meeting, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the meeting.

Q: What vote is required to approve each proposal?

A: *Proposal 1: Election of directors:* A plurality of the votes of those present or represented by proxy and entitled to vote with respect to this proposal is required for the election of directors. This means that the seven director nominees with the most votes will be elected as directors of the Company. You may choose to vote or withhold your vote for such nominees. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of a director will not be voted with respect to the director indicated and will have no impact on the election of directors, although it will be counted for the purposes of determining whether there is a quorum. Broker non-votes will have no effect on Proposal 1.

Proposal 2: Ratification of our independent registered public accounting firm: A majority of the shares of stock that are present or represented by proxy and entitled to vote with respect to this proposal must be voted in favor of the proposal. A properly executed proxy marked "ABSTAIN" with respect to the proposal will not be voted, although it will be counted for purposes of determining the number of shares of common stock present or represented by proxy and entitled to vote. Accordingly, if you choose to "ABSTAIN" with respect to either proposal, your abstention has the same effect as a vote "AGAINST." Broker non-votes will have the same effect as a vote "AGAINST."

Proposal 3: Vote to approve the amendment to the Dogwood Therapeutics, Inc. Amended and Restated 2020 Equity Incentive Plan: A majority of the shares of stock that are present or represented by proxy and entitled to vote with respect to this proposal must be voted in favor of the proposal. A properly executed proxy marked "ABSTAIN" with respect to the proposal will not be voted, although it will be counted for purposes of determining the number of shares of common stock present or represented by proxy and entitled to vote. Accordingly, if you choose to "ABSTAIN" with respect to either proposal, your abstention has the same effect as a vote "AGAINST." Broker non-votes will have no effect on Proposal 3.

Q: What if additional proposals are presented at the Annual Meeting?

A: We do not intend to bring any other matter for a vote at the Annual Meeting, and we do not know of anyone else who intends to do so. However, with respect to any other business that properly comes before the Annual Meeting, your proxies are authorized to vote on your behalf using their judgment.

Q: Do the directors and officers of the Company have an interest in the outcome of the matters to be voted on?

A: Our directors and officers will not receive any special benefit as a result of the outcome of the matters to be voted on, except that our directors will receive compensation for such service as described later in this Proxy Statement under the heading "Executive and Director Compensation."

Q: How many shares do the directors and officers of the Company beneficially own, and how do they plan to vote their shares?

A: Directors and executive officers, who, as of the Record Date, had beneficial ownership (or had the right to acquire beneficial ownership within 60 days following the Record Date) of approximately 3.9% of our outstanding common stock, are expected to vote, or direct the voting of their shares, in favor of the election of the seven director

nominees set forth in this Proxy Statement; in favor of the ratification of the selection of Forvis Mazars, LLP as our independent registered public accounting firm for the year ending December 31, 2025; and in favor of the vote to approve the amendment to the Dogwood Therapeutics, Inc. Amended and Restated 2020 Equity Incentive Plan.

Q: Who will count the votes?

A: A representative of Issuer Direct Corporation, acting as the inspector of election, will tabulate and certify the votes.

Q: Who can attend the Annual Meeting?

A: All stockholders as of the Record Date are invited to attend the Annual Meeting.

Q: Are there any expenses associated with collecting the stockholder votes?

A: We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and other materials to our stockholders. Officers and other employees of the Company may solicit proxies in person or by telephone but will receive no special compensation for doing so.

Q: Where can you find the voting results?

A: Voting results will be reported in a Current Report on Form 8-K, which we will file with the Securities and Exchange Commission (“SEC”) within four business days following the Annual Meeting.

Q: Who is our independent registered public accounting firm, and will they be represented at the Annual Meeting?

A: Forvis Mazars, LLP served as our independent registered public accounting firm for the fiscal year ended December 31, 2024 and audited our financial statements for such fiscal year. Forvis Mazars, LLP has been selected by our Audit Committee to serve in the same role and to provide the same services for the fiscal year ending December 31, 2025. We expect that one or more representatives of Forvis Mazars, LLP will be present at the Annual Meeting. They will have an opportunity to make a statement, if they desire, and will be available to answer appropriate questions at the end of the Annual Meeting.

Q: Why are you being asked to ratify the selection of Forvis Mazars, LLP?

A: Although stockholder approval of our Audit Committee’s selection of Forvis Mazars, LLP as our independent registered public accounting firm is not required, we believe that it is advisable to give stockholders an opportunity to ratify this selection. If this proposal is not approved at the Annual Meeting, the Audit Committee has agreed to reconsider its selection of Forvis Mazars, LLP, but will not be required to take any action.

There are no legal proceedings related to any of our directors or executive officers that require disclosure pursuant to Items 103 or 401(f) of Regulation S-K.

Corporate Governance and Board Matters

Our Board is responsible for the supervision of our overall affairs. Our Board has established three standing committees: Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee (the "Nominating Committee"). The Audit Committee, Compensation Committee and Nominating Committee operate under charters adopted by the Board that govern their responsibilities. Copies of each of these charters and our Code of Business Conduct and Ethics can be obtained free of charge from the Company's website, www.dwtx.com, or by contacting the Company at the attention of the Secretary at our offices at Dogwood Therapeutics, Inc., 44 Milton

Avenue, Alpharetta, GA 30009. All references to our website address are intended to be inactive textual references only and do not constitute incorporation by reference of the information contained at or available through our website.

Leadership Structure

The Company seeks to maintain an appropriate balance between management and the Board. Our Board does not have a policy regarding the separation of the offices of Chairman of the Board and Chief Executive Officer. Our Board believes that it is important to retain the flexibility to combine or separate the responsibilities of the offices of Chairman of the Board and Chief Executive Officer, as from time to time it may be in the best interests of the Company. Our Board believes that our Chief Executive Officer is in the best position to most effectively serve as the Chairman of the Board given that he has the primary responsibility for managing our day-to-day operations and therefore has a detailed and in-depth knowledge of the risks, issues, opportunities and challenges facing us and our business. The Board also believes that the Chief Executive Officer serving as Chairman of the Board further promotes information flow between management and the Board and enhances the quality of the Board's overall decision-making process, including with respect to risk assessment. In the future, we may also introduce a role of lead independent director.

Meetings of the Board and Board Attendance

During 2024, our Board held nine meetings, our Audit Committee held five meetings, our Compensation Committee held one meeting and our Nominating Committee held one meeting. Each director attended at least 75% of the meetings of the Board and meetings of each committee on which he or she served during 2024.

Directors are encouraged, but not required, to attend our annual stockholder meetings.

Executive Sessions of the Board

The Board meets periodically, and at least annually, in executive session without those directors who are also executive officers of the Company or any other members of management of the Company.

Director Independence

Our Board has determined that John Thomas, David Keefer, Abel De La Rosa, and Richard Whitley are independent within the meaning of Section 5605(a)(2) of the Nasdaq Stock Market Rules and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that John Thomas, David Keefer and Abel De La Rosa meet the additional test for independence for audit committee members imposed by SEC regulations and the Nasdaq Stock Market Rules and that David Keefer, Abel De La Rosa and Richard Whitley meet the additional test for independence for compensation committee members imposed by the Nasdaq Stock Market Rules. The Board is responsible for ensuring that independent directors do not have a material relationship with us or any of our affiliates or any of our executive officers or his or her affiliates.

Removal and Appointment of Directors

Our certificate of incorporation and bylaws provide that a director may be removed with or without cause by the holders of at least a majority of the voting power of the shares then entitled to vote at an election of directors. Under such certificate of incorporation and bylaws, any vacancy on our Board, including a vacancy resulting from an enlargement of our Board, may be filled only by the vote of a majority of our directors then in office. Furthermore, our certificate of incorporation provides that the authorized number of directors may be changed only by a resolution adopted by the majority of our Board.

Role of the Board in Risk Oversight

One of the key functions of our Board is informed oversight of our risk management process. Our Board does not have a standing risk management committee, but rather administers this oversight function directly through our Board as a whole, as well as through various standing committees of our Board that address risks inherent in their respective areas

of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure and our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. Our Audit Committee also monitors compliance with legal and regulatory requirements. Our Nominating Committee monitors the effectiveness of our corporate governance practices, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, our entire Board is regularly informed through committee reports about such risks.

Management regularly reports on any potential material risks to the Company at each Board meeting. Management reports regularly to the full Board, which also considers the Company's risk factors. While the Board oversees the Company's risk management, Company management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing our Company and that our Board leadership structure supports this approach.

Board Committees

Our Audit Committee consists of Abel De La Rosa, David Keefer and John Thomas, with John Thomas serving as chair. Our Compensation Committee consists of Abel De La Rosa, David Keefer and Richard Whitley, with David Keefer serving as chair. Our Nominating Committee consists of David Keefer and Richard Whitley, with Richard Whitley serving as chair. In compliance with the Nasdaq Stock Market Rules, all of the members of our Audit, Compensation and Nominating Committees are independent.

Audit Committee

The primary purpose of our Audit Committee is to assist the Board in the oversight of the integrity of our accounting and financial reporting process, the audits of our financial statements, and our compliance with legal and regulatory requirements. In 2024, our Audit Committee held five meetings. The functions of our Audit Committee include, among other things:

- appointing, approving the compensation of, and assessing the independence of our registered public accounting firm;
- overseeing the work of our registered public accounting firm, including through the receipt and consideration of reports from such firm;
- reviewing and discussing with management and the registered public accounting firm our annual and quarterly financial statements and related disclosures;
- coordinating our Board's oversight of our internal control over financial reporting and disclosure controls and procedures;
- discussing our risk management policies;
- meeting independently with our internal auditing staff, if any, registered public accounting firm and management;
- reviewing and approving or ratifying any related person transactions; and
- preparing the audit committee report required by SEC rules.

The financial literacy requirements of the SEC require that each member of our Audit Committee be able to read and understand fundamental financial statements. In addition, at least one member of our Audit Committee is qualified as an audit committee financial expert, as defined in Item 407(d)(5) of Regulation S-K promulgated under the Securities Act of 1933 (the "Securities Act"), and has financial sophistication in accordance with the Nasdaq Stock Market Rules. Our Board has determined that John Thomas qualifies as an audit committee financial expert. For the relevant

experience of John Thomas that qualifies him as an audit committee financial expert, please see his biographical information under “Nominees for Election to the Board of Directors for a Term Expiring at the 2026 Annual Meeting.”

For information on audit fees, see “Proposal 2: Ratification of Independent Registered Public Accounting Firm.”

Compensation Committee

The primary purpose of our Compensation Committee is to assist our Board in exercising its responsibilities relating to compensation of our executive officers and employees and to administer our equity compensation and other benefit plans. In carrying out these responsibilities, this committee reviews all components of executive officer and employee compensation for consistency with its compensation philosophy, as in effect from time to time. In 2024, our Compensation Committee held one meeting. The functions of our Compensation Committee include, among other things:

- reviewing and approving, or recommending for approval by the Board, the compensation of our Chief Executive Officer and our other executive officers;
- overseeing and administering our cash and equity incentive plans;
- reviewing and making recommendations to our Board with respect to director compensation;
- reviewing and discussing annually with management our “Compensation Discussion and Analysis” to the extent required; and
- preparing the annual compensation committee report required by SEC rules, to the extent required.

Nominating Committee

The primary purpose of our Nominating Committee is to assist our Board in promoting the best interests of the Company and our stockholders through the implementation of sound corporate governance principles and practices. In 2024, our Nominating Committee held one meeting. The functions of our Nominating Committee include, among other things:

- identifying nominees for election to the Board, consistent with the qualifications and criteria approved by the board;
- determining the composition of the committees of the Board;
- recommending to the Board the director nominees for the annual meeting of stockholders;
- developing, overseeing and making recommendations to the Board regarding our corporate governance guidelines and procedures;
- establishing and monitoring a process of assessing the Board’s effectiveness; and
- overseeing the evaluation of the Board.

While the Nominating Committee does not have a formal diversity policy, the Nominating Committee recommends candidates based upon many factors, including the diversity of their business or professional experience, the diversity of their background and their array of talents and perspectives. We believe that the Nominating Committee’s existing nominations process is designed to identify the best possible nominees for the Board. The Nominating Committee identifies candidates through a variety of means, including recommendations from members of the Board and suggestions from our management including our Chief Executive Officer. In addition, the Nominating Committee considers candidates recommended by third parties, including stockholders. The Nominating Committee gives the same consideration to candidates recommended by stockholders as those candidates recommended by members of our Board. Stockholders wishing to recommend director candidates for consideration by the Nominating Committee may do so by writing to our Secretary and giving the recommended candidate’s name, biographical data and qualifications. Nominees should have a reputation for integrity, honesty and adherence to high ethical standards, should have demonstrated business acumen, experience and ability to exercise sound judgments in matters that relate to the current and long-term

objectives of the Company, should be willing and able to contribute positively to the decision-making process of the Company, should have a commitment to understand the Company and its industry and to regularly attend and participate in meetings of the Board and its committees, should have the interest and ability to understand the sometimes conflicting interests of the various constituencies of the Company, which include stockholders, employees, customers, governmental units, creditors and the general public, and to act in the interests of all stockholders, should not have, nor appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all the Company's stockholders and to fulfill the responsibilities of a director. The value of diversity on the Board should be considered and nominees shall not be discriminated against on the basis of race, religion, national origin, sex, sexual orientation, disability or any other basis proscribed by law.

Compensation Committee Interlocks and Insider Participation

During 2024 and as of the date of this Proxy Statement, no member of our Compensation Committee has ever been an executive officer or employee of ours and no executive officer of the Company currently serves, or has served during the last completed year, on the board of directors, compensation committee or other committee serving an equivalent function, of any other entity that has one or more officers serving as a member of our Board or Compensation Committee.

Stockholder Communications with the Board

Stockholders who wish to communicate directly with the Board, or with a particular director, may send a letter addressed to our Secretary at Dogwood Therapeutics, Inc., 44 Milton Avenue, Alpharetta, GA 30009. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder Board Communication" or "Stockholder Director Communication." All such letters must identify the author as a stockholder and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the directors addressed. If a stockholder wishes the communication to be confidential, such stockholder must clearly indicate on the envelope that the communication is "confidential." The Secretary will then forward such communication, unopened, to the directors, or director, specified on the envelope, or if none, to the Chairman of the Board.

Code of Business Conduct and Ethics

Our Board has adopted a Code of Business Conduct and Ethics applicable to all of our directors, executive officers and employees. The Code of Business Conduct and Ethics outlines the principles, policies and laws that govern our activities and establishes guidelines for conduct in the workplace. Every director, executive officer and employee is required to read the Code of Business Conduct and Ethics annually. The Nominating Committee of our Board is responsible for overseeing the Code of Business Conduct and Ethics and must approve any waivers of the Code of Business Conduct and Ethics for directors, executive officers or employees. We expect that any amendments to the Code of Business Conduct and Ethics, or any waivers of its requirements, will be disclosed on our website at www.virios.com.

Insider Trading Policy

Our insider trading policy governs trading by our directors, officers, employees and associates (including consultants), which we refer to as "Covered Persons." The Insider Trading Policy requires pre-clearance of transactions involving Company securities by certain insiders and prohibits Covered Persons from trading (or tipping others to trade) in Company securities on the basis of material, non-public information. Our Insider Trading Policy also prohibits Covered Persons from engaging in certain transactions, including "short" sales, sales "against the box" and buying or selling puts or calls or other derivative instruments based on our securities.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors, and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely upon a review of the copies of such forms and amendments thereto, we believe that, during 2024, none of our officers, directors, and greater than 10% beneficial owners failed to file on a timely basis the reports required by Section 16(a).

AUDIT COMMITTEE REPORT

The Audit Committee of the Board assists the Board in performing its oversight responsibilities for our financial reporting process and audit process as more fully described in the Audit Committee's charter. Management has the primary responsibility for the financial statements and the reporting process. Our independent registered public accounting firm is responsible for performing an independent audit of our financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States), or the PCAOB, and to issue a report thereon.

In the performance of its oversight function, the Audit Committee has reviewed and discussed our audited financial statements for the year ended December 31, 2024 with management and with our independent registered public accounting firm. In addition, the Audit Committee has discussed the matters required by PCAOB Auditing Standard No. 1301, *Communications with Audit Committees*, which includes, among other items, matters related to the conduct of the audit of our financial statements, with Forvis Mazars, LLP, our independent registered public accounting firm for the year ended December 31, 2024. The Audit Committee has also received and reviewed the written disclosures and the letter from Forvis Mazars, LLP required by PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence* (which relates to the independent registered public accounting firm's independence from us) and has discussed with Forvis Mazars, LLP their independence from us. We also considered whether any non-audit services provided by the independent registered public accounting firm are compatible with maintaining its independence.

Based on the review and discussions referenced above, the Audit Committee recommended to our Board that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2024.

The foregoing report of the Audit Committee does not constitute soliciting material and shall not be deemed filed, incorporated by reference into or a part of any other filing by the Company (including any future filings) under the Securities Act or the Exchange Act, except to the extent the Company specifically incorporates such report by reference therein.

Base Salaries/Compensation

We use base salaries to recognize the experience, skills, knowledge and responsibilities required of all our employees, including our Named Executive Officers. Base salaries and base compensation are reviewed annually by the Compensation Committee and adjusted from time to time to realign salaries and compensation with market levels after taking into account individual responsibilities, performance and experience. As of December 31, 2024, the annual base salaries or base compensation for each of Mr. Duncan, Dr. Gendreau and Ms. Walsh was \$555,345, \$352,341 and \$254,469, respectively.

Benefits

We offer a comprehensive package of employee welfare benefits that includes group life insurance, health insurance, dental insurance, vision insurance and short-term and long-term disability. Executive officers may participate on the same basis as other full-time employees.

Bonuses

Each executive officer's employment agreement establishes a cash bonus target as a percentage of their base salary. These bonuses are contingent upon the achievement of pre-established corporate targets and objectives. At the end of each year, these pre-established targets and objectives are reviewed by the Compensation Committee and bonuses are awarded based on the successful achievement of these milestones. For the year ended December 31, 2024, the cash bonus for each of Mr. Duncan, Dr. Gendreau and Ms. Walsh was \$277,673, \$123,319 and \$65,738, respectively.

Equity Compensation

On June 16, 2022, the stockholders of the Company approved the Amended and Restated 2020 Equity Incentive Plan (the "Plan") to increase the total number of shares of common stock reserved for issuance under the Plan by 50,000 shares to 82,500 total shares issuable under the Plan. The Plan provides for grants of stock options, stock awards and other equity-based awards. Our directors, officers and consultants are eligible to receive grants under the Plan.

The purpose of the Plan is to encourage the participants to contribute materially to the growth of the Company, thereby benefitting the Company's stockholders, and will align the economic interests of the participants with those of the stockholders.

Administration. The Plan is administered by the Board or a committee appointed by the Board. The Board has the sole authority to (i) determine the individuals to whom grants shall be made under the Plan, (ii) determine the type, size and terms of the grants to be made to each such individual, (iii) determine the time when the grants will be made and the duration of any applicable exercise or restriction period, including the criteria for exercisability and the acceleration of exercisability, (iv) amend the terms of any previously issued grant, and (v) deal with any other matters arising under the Plan.

Available shares. The aggregate number of shares of our common stock that may be issued pursuant to awards under the Plan is 82,500 shares. If grants of stock options or stock awards under the Plan are canceled or forfeited, the shares subject to such grants will again be available under the Plan. The maximum aggregate number of shares subject to grant under the Plan to any individual, with the exception of any non-employee director, during any calendar year is limited to 20,000 shares. With respect to any non-employee director, the maximum aggregate number of shares subject to grant under the Plan to any individual during any calendar year is limited to 8,000 shares.

If there is any change in the number or kind of shares of our stock outstanding (i) by reason of a stock dividend, spinoff, recapitalization, stock split, or combination or exchange of shares, (ii) by reason of a merger, reorganization or consolidation, (iii) by reason of a reclassification or change in par value, or (iv) by reason of any other extraordinary or unusual event affecting the outstanding stock as a class without the receipt of consideration, or if the value of outstanding shares of our stock is substantially reduced as a result of a spinoff or our payment of an extraordinary dividend or distribution, the maximum number of shares of our stock available for grants under the Plan, the maximum number of shares of our stock that any individual participating in this Plan may be granted in any year, the number of shares covered by outstanding grants, the kind of shares issued under this Plan, and the price per share of such grants shall be appropriately adjusted by the Board to reflect any increase or decrease in the number of, or change in the kind or value of, issued shares of our stock to preclude, to the extent practicable, the enlargement or dilution of rights and benefits under such Grants; provided, however, that any fractional shares resulting from such adjustment shall be eliminated. Any adjustments determined by the Board shall be final, binding and conclusive.

Eligibility for participation. Members of our Board, as well as employees of, and consultants and advisors to, us will be eligible to receive awards under the Plan.

Award agreements. Awards granted under the Plan are evidenced by award agreements, which need not be identical, and that provide additional terms, conditions, restrictions or limitations covering the grant of the award, including, without limitation, additional terms providing for the acceleration of exercisability or vesting of awards in the event of a Change in Control (as defined in the Plan) or conditions regarding the participant's employment, as determined by the committee.

Stock options. The committee may grant nonqualified stock options to any individuals eligible to participate in the Plan and incentive stock options to purchase shares of our common stock only to eligible employees. The committee will determine: (i) the number of shares of our common stock subject to each option; (ii) the term of each option, which may not exceed ten years, or five years in the case of an incentive stock option granted to a 10.0% or greater stockholder; (iii) the exercise price; (iv) the vesting schedule, if any and (v) the other material terms of each option. No incentive stock option or nonqualified stock option may have an exercise price less than the fair market value of a share of our common stock at the time of grant or, in the case of an incentive stock option granted to a 10.0% or greater stockholder, 110.0% of such share's fair market value. Options will be exercisable at such time or times and subject to such terms and conditions as determined by the committee at the time of grant and the exercisability of such options may be accelerated by the committee.

Stock awards. The Board may issue shares of our stock to an employee, non-employee director or advisor under a stock award, upon such terms as the Board deems appropriate. Shares of our stock issued pursuant to stock awards may be issued for consideration or for no consideration, and subject to restrictions or no restrictions, as determined by the

Board. The Board may establish conditions under which restrictions on stock awards shall lapse over a period of time or according to such other criteria as the Board deems appropriate.

Change in control. Upon a change of control where we are not the surviving corporation (or survive only as a subsidiary of another corporation), the Board may take any of the following actions with respect to any or all outstanding grants: the Board may (i) determine that outstanding options shall accelerate and become exercisable, or stock awards shall vest and be payable, in whole or in part, (ii) determine that all outstanding options that are not exercised shall be assumed by, or replaced with comparable options by the surviving corporation (or a parent or subsidiary of the surviving corporation), and outstanding stock awards shall be converted to stock awards of the surviving corporation (or a parent or subsidiary of the surviving corporation), (iii) require that grantees surrender their outstanding options in exchange for payment by us, in cash or stock as determined by the Board, in an amount equal to the amount by which the then fair market value of the shares of our stock subject to the grantee's unexercised options exceeds the exercise price of the options, or (iv) after giving grantees an opportunity to exercise their outstanding options, terminate any or all unexercised options at such time as the Board deems appropriate. Such assumption, surrender or termination shall take place as of the date of the change of control or such other date as the Board may specify.

As used in the Plan, a "Change of Control" shall mean:

- any acquisition, directly or indirectly, by a person of beneficial ownership of our voting securities representing more than 50% of the voting power of our then outstanding securities; provided, however, that, no Change of Control shall be deemed to occur by reason of (i) a transaction in which we become a subsidiary of another corporation and in which our stockholders will beneficially own, immediately after the transaction, shares entitling such stockholders to more than 50% of all votes in the election of directors, or (ii) the acquisition of shares of our capital stock by an investor in us in a capital-raising transaction;
- any merger or consolidation with another corporation where our stockholders will not beneficially own, immediately after the merger or consolidation, shares entitling such stockholders to more than 50% of all votes to which all stockholders of the surviving corporation would be entitled in the election of directors;
- any sale or other disposition of all or substantially all of our assets; or
- a complete liquidation or dissolution of us.

Amendment and termination. Notwithstanding any other provision of the Plan, our Board may at any time amend any or all of the provisions of the Plan. The term of the Plan is 10 years, unless earlier terminated by the Board or extended by the Board with the approval of the stockholders.

Policies and Practices Regarding Timing of Certain Equity Awards

The Compensation Committee typically approves the target value of annual equity awards for the Company's executive officers, including each of the named executive officers, and any awards to non-executive employees at its meeting in December of each year, with a grant date to be effective on the date of approval by the Board at its December meeting. In special circumstances, including the hiring or promotion of an individual or where the Compensation Committee and Board determines it is in the Company's best interest, the Compensation Committee and Board may approve grants to be effective at other times. For example, the option awards outlined below were granted in connection with a 10% salary reduction for all the Company's executive officers approved by the Board on February 26, 2024. This action by the Board was announced on a Form 8-K on February 17, 2024. The Compensation Committee and the Board did not take material nonpublic information into account when determining the timing and terms of these equity awards in February 2024, and it is our practice not to time the disclosure of material nonpublic information for the purpose of affecting the value of executive compensation.

The following table sets forth information concerning options awarded in February 2024 to our named executive officers close in time to the release of material nonpublic information:

Name	Grant date	Number of securities underlying the award	Exercise price of the award (\$/Sh)	Grant date fair value of the award	Percentage change in the closing market price of the securities underlying the award between the trading day ending immediately prior to the disclosure of material nonpublic information and the trading day beginning immediately following the disclosure of material nonpublic information

R. Michael Gendreau, MD, PhD	2/26/2024	3,523	\$8.925	\$24,831	(10.0553)%

PROPOSAL 3: VOTE TO APPROVE THE AMENDMENT TO THE DOGWOOD THERAPEUTICS, INC. AMENDED AND RESTATED 2020 EQUITY INCENTIVE PLAN

On April 17, 2025, our Board approved an amendment to the Company's Amended and Restated 2020 Equity Incentive Plan, (the "Plan") to increase the number of shares that may be issued under the Plan from 82,500 to 191,112 (the "Plan Amendment"), subject to approval of our stockholders at the Annual Meeting. The Plan became effective on December 16, 2020 upon our IPO and was approved by our Board and the Company's managing members in July and August 2020, respectively. The Board is requesting stockholder approval for the Plan Amendment.

The Board believes that equity awards are a key element underlying its ability to retain, recruit and motivate key personnel who are critical to our ability to execute successfully and implement our corporate objectives. After reviewing the Plan, the Board has determined that the current share reserve available for awards under the Plan is insufficient and limits our ability to provide equity incentives that align the interests of our directors, executives and employees with those of our stockholders and limits our ability to attract and retain talented personnel. Approval of the Plan Amendment by our stockholders will allow us to grant stock options, restricted stock unit awards and other awards at levels determined appropriate by our Board or Compensation Committee.

Why We Are Asking Our Stockholders to Approve the Plan Amendment

- *Equity incentives are key to retaining key talent to drive our business forward.* The Board believes that equity awards are a key element underlying our ability to retain, recruit and motivate key personnel who are critical to our ability to execute successfully through this time of transition for our Company and implement our business plan to develop our pipeline of product candidates. Equity awards align the interests of key personnel with those of our stockholders and are a substantial contributing factor to the overall success of the Company.

Current shares available for awards are inadequate. We believe that the shares currently available for grant under the Plan will be insufficient to meet our anticipated retention and recruitment needs. As of March 31, 2025, there were 1,423 shares available for future grant under the Plan.

Information regarding Equity Incentive Program, Dilution and Overhang

The following table provides certain information regarding our equity incentive program:

	As of March 31, 2025
Total number of shares of common stock subject to outstanding stock options	81,077
Weighted-average exercise price of outstanding stock options	\$98.93
Weighted-average remaining term of outstanding stock options	7.14 years
Total number of shares of common stock subject to outstanding full value awards	—
Total number of shares of common stock available for grant under the 2020 Plan	1,423
Total number of shares of common stock outstanding	1,911,128
Per-share closing price of common stock as reported on the Nasdaq Capital Market	\$5.01

To provide the Company the flexibility to responsibly address our future equity compensation needs, we are requesting that stockholders approve the Plan Amendment to make an additional 108,612 shares available for grant.

When considering the number of shares authorized for issuance under the Plan, as amended by the Plan Amendment (the "Amended Plan"), the Compensation Committee reviewed, among other things, the dilution to the Company's current stockholders as measured by dilution and overhang and projected future share usage. The projected future usage of shares for long-term incentive awards under the Plan was reviewed under scenarios based on a variety of assumptions. The Compensation Committee is committed to effectively managing the number of shares reserved for issuance under the Amended Plan while minimizing stockholder dilution.

After giving effect to a new grant authority of 108,612 shares, the pro forma overhang percentage as of March 31, 2025 would be 10%. We estimate that the pro forma total share pool of 110,035 would be sufficient to fund approximately 2 years of anticipated future grants.

Category:	# of Shares	% of CSO
Common shares outstanding (CSO)	1,911,128	100.00%
Total number of shares of common stock outstanding	1,911,128	100.00%
Total number of shares of common stock available for grant under the Plan	1,423	0.1%
Current total equity plan dilution	81,077	4.2%
Proposed additional shares for issuance under the Amended Plan	108,612	5.7%
Pro forma equity plan dilution	191,112	10.0%

Key Features of the Amended Plan

The sole effect of the Plan Amendment is to increase the total number of shares of common stock issuable under the Plan from 82,500 shares to 191,112. No other material terms of the Plan will change. The Plan Amendment is attached as [Appendix A](#) to this Proxy Statement. The full text of the Plan is attached as [Appendix A](#) to the Company's 2022 notice of annual meeting and proxy statement filed with the SEC on April 26, 2022, and the key features of the Amended Plan are described in detail below.

Types of Awards

Awards under the Amended Plan may consist of grants of incentive stock options intended to qualify for preferential tax treatment under Section 422 of the Internal Revenue Code of 1996 (the "Code"), nonqualified stock options, stock awards, stock units, stock appreciation rights, and other equity-based awards as described in the Amended Plan.

Eligibility

All employees of the Company and its parents or subsidiaries, including employees who are officers or members of the Board, and members of the Board who are non-employee directors shall be eligible to participate in the Amended Plan. Consultants and advisors, as such terms are defined and interpreted for purposes of Form S-8 under the Securities Act (or any successor form or rule) who perform services for the Company or any of its parents or subsidiaries shall be eligible to participate in the Amended Plan.

As of March 31, 2025, we had 11 employees and 4 non-employee directors, all of whom are eligible to receive awards under the Amended Plan.

Administration

The Amended Plan is administered by the Compensation Committee and all references to the "Board" shall be deemed to refer to the Compensation Committee. Subject to the limitations set forth in the Amended Plan, the Board has the authority to determine, among other things, to whom awards will be granted, the number of shares subject to awards, the term during which an option, stock unit or stock appreciation right may be exercised and the rate at which the awards may vest or be earned, including any performance criteria to which they may be subject. The Board also has the authority to determine the consideration and methodology of payment for awards.

The Compensation Committee, our Board and any of their designees do not have the authority to: (i) amend the terms of an outstanding option or stock appreciation right to reduce its exercise price, or (ii) cancel outstanding options or stock appreciation rights with an exercise price above the then-current fair market value per share in exchange for another option, stock appreciation right with a lower exercise price or for other award or for cash, unless the stockholders of the Company have previously approved such an action or the action relates to a capitalization adjustment under the terms of the Amended Plan.

Shares Available for Awards

Subject to adjustment for certain changes in our capitalization, the aggregate number of shares of common stock that may be issued pursuant to grants under the Amended Plan is 191,112 shares.

Individual Limits

The maximum aggregate number of shares of common stock that shall be subject to grants made under the Amended Plan to any individual, with the exception of any non-employee director, during any calendar year shall be 20,000 shares. With respect to any non-employee director, the maximum aggregate number of shares of common stock that shall be subject to grants made under the Amended Plan to any such individual during any calendar year shall be 8,000 shares.

Stock Options

The terms of any grants of stock options under the Amended Plan will be set forth in a stock option agreement to be entered into between the Company and the recipient. The Board will determine the terms and conditions of such option grants, which need not be identical. The Board may modify, extend or renew outstanding options but the Board may not modify outstanding options to lower the exercise price or cancel options in exchange for cash or for options or stock appreciation rights with a lower exercise price or for another award, other than in connection with a corporate transaction, without stockholder approval.

The exercise price of each option will be set by the Board, subject to the following limits. The exercise price of an incentive stock option cannot be less than 100% of the fair market value of a share of common stock on the date the option is granted, and in the event an option recipient is deemed to be a 10% owner of our Company or one of our subsidiaries, the exercise price of an incentive stock option cannot be less than 110% of the fair market value of a share of common stock on the date the option is granted. The exercise price of a nonqualified stock option cannot be less than 100% of the fair market value of a share of the Company's common stock on the date the option is granted. The maximum period in which an option may be exercised will be fixed by the Board and included in each stock option agreement and cannot exceed ten years (and in the event an option recipient is deemed to be a 10% owner of our Company or one of our subsidiaries, the maximum period for an incentive stock option granted to that person cannot exceed five years). In addition, no option recipient may be granted incentive stock options that are exercisable for the first time in any calendar year for our common stock having a total fair market value (determined as of the option grant) in excess of \$100,000.

The exercise price for the exercise of a stock option may be paid in cash or, to the extent that the stock option agreement so provides, by surrendering shares of common stock, by a broker-assisted cashless exercise procedure, by a net exercise arrangement, by delivering a full-recourse promissory note, or in any other form that is consistent with applicable laws, regulations and rules. Options generally will be nontransferable except in the event of the option recipient's death, but the Board may allow the transfer of nonqualified stock options through a gift or domestic relations order to the option recipient's family members.

Stock options granted under the Amended Plan generally must be exercised by the optionee before the earlier of the expiration of such option or 90 days after termination of the optionee's employment, except that the period may be extended on certain events including death and termination of employment due to disability. Each stock option agreement will set forth the extent to which the option recipient will have the right to exercise the option following the termination of the recipient's service with us, and the right to exercise the option of any executors or administrators of the award recipient's estate or any person who has acquired such options directly from the award recipient by bequest or inheritance.

Stock Awards

The terms of any awards of restricted shares under the Amended Plan (referred to as "Stock Awards" in the Amended Plan document) will be set forth in a restricted share agreement to be entered into between the Company and

the recipient. The Board will determine the terms and conditions of the restricted share agreements, which need not be identical. A restricted share award may be subject to vesting requirements or transfer restrictions or both. Restricted shares may be issued for such consideration as the Board may determine, including cash, cash equivalents, full-recourse promissory notes, past services and future services. Award recipients who are granted restricted shares generally have all of the rights of a stockholder with respect to those shares, however, during any restriction period, the grantee shall not have the right to vote shares or receive any dividends or other distributions paid on such shares.

Stock Units

The terms of any awards of restricted stock units under the Amended Plan (referred to as “Stock Units” in the Amended Plan document) will be set forth in a restricted stock unit agreement to be entered into between the Company and the recipient. The Board will determine the terms and conditions of the restricted stock unit agreements, which need not be identical, provided, however, that all such awards shall comply with section 409A of the Code. Restricted stock units give an award recipient the right to acquire a specified number of shares of common stock or, at the Board’s discretion, cash, or a combination of common stock and cash, at a future date upon the satisfaction of certain vesting conditions based upon a vesting schedule or performance criteria established by the Board. Restricted stock units may be granted in consideration of a reduction in the award recipient’s other compensation, but no cash consideration is typically required of the award recipient. Unlike restricted shares, the stock underlying restricted stock units will not be issued until the stock units have vested, and recipients of restricted stock units generally will have no voting or dividend rights prior to the time of issuance of any common stock upon settlement.

Stock Appreciation Rights

The terms of any awards of stock appreciation rights under the Amended Plan will be set forth in an agreement to be entered into between the Company and the recipient. The Board will determine the terms, conditions and restrictions of any such agreements, which need not be identical. A stock appreciation right generally entitles the award recipient to receive a payment upon exercise equal to the amount by which the fair market value of a share of common stock on the date of exercise exceeds the value of a share of common stock on the date of grant. The maximum period in which a stock appreciation right may be exercised will be fixed by the Board and included in each agreement and cannot exceed ten years. The amount payable upon the exercise of a stock appreciation right may be settled in cash or by the issuance of shares of common stock. The Board may not modify outstanding stock appreciation rights to lower the exercise price or cancel stock appreciation rights in exchange for cash or for options or stock appreciation rights with a lower exercise price or for another award, other than in connection with a corporate transaction, without stockholder approval.

Amendment and Termination

The Board may amend or terminate the Amended Plan at any time, but an amendment will not become effective without the approval of our stockholders to the extent required by applicable laws, regulations or rules. No amendment or termination of the Amended Plan will affect an award recipient’s rights under outstanding awards without the award recipient’s consent. No incentive stock options may be granted under the Amended Plan after the tenth anniversary of the date the Amended Plan is adopted by the Board. The Amended Plan shall terminate on the day immediately preceding the tenth anniversary of its effective date, unless the Amended Plan is terminated earlier by the Board or is extended by the Board with the approval of the stockholders.

Effect of Certain Corporate Events

In the event of a subdivision of the outstanding common stock or a combination or consolidation of the outstanding common stock (by reclassification or otherwise) into a lesser number of shares, a recapitalization, a spin-off or a similar occurrence, a declaration of a dividend payable in common stock or a declaration of a dividend payable in a form other than shares in an amount that has a material effect on the price of the shares, the Board will make appropriate adjustments in the number and class of shares covered by outstanding awards and the exercise price of outstanding options and stock appreciation rights, the number and class of shares that may be issued pursuant to the exercise of incentive stock options, and the number and class of shares available under the Amended Plan.

In the event of a change of control, outstanding options and stock appreciation rights under the Amended Plan shall accelerate and become exercisable, and outstanding Stock Awards, Stock Units and other equity awards shall vest and shall be payable. The Board may condition any such acceleration on such terms as the Board determines.

For purposes of the Amended Plan, a change of control shall be deemed to have occurred if: (i) any “person,” as such term is used in sections 13(d) and 14(d) of the Exchange Act becomes a “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing more than 50% of the voting power of the then outstanding securities of the Company; provided that a Change of Control shall not be deemed to occur as a result of (A) a transaction in which the Company becomes a subsidiary of another corporation and in which the stockholders of the Company, immediately prior to the transaction, will beneficially own, immediately after the transaction, shares entitling such stockholders to more than 50% of all votes to which all stockholders of the parent corporation would be entitled in the election of directors, or (B) the acquisition of securities of the Company by an investor of the Company in a capital-raising transaction; or (ii) the consummation of (A) a merger or consolidation of the Company with another corporation where the stockholders of the Company, immediately prior to the merger or consolidation, will not beneficially own, immediately after the merger or consolidation, shares entitling such stockholders to more than 50% of all votes to which all stockholders of the surviving corporation would be entitled in the election of directors, (B) a sale or other disposition of all or substantially all of the assets of the Company, or (C) a liquidation or dissolution of the Company.

Certain Federal Income Tax Aspects of Awards under the Amended Plan

This is a brief summary of the federal income tax aspects of awards that may be made under the Amended Plan based on existing U.S. federal income tax laws. This summary provides only the basic tax rules. It does not describe a number of special tax rules, including the alternative minimum tax and various elections that may be applicable under certain circumstances. It also does not reflect provisions of the income tax laws of any municipality, state or foreign country in which a holder may reside, nor does it reflect the tax consequences of a holder’s death. The tax consequences of awards under the Amended Plan depend upon the type of award.

Incentive Stock Options

The recipient of an incentive stock option generally will not be taxed upon grant of the option. Federal income taxes are generally imposed only when the shares of common stock from exercised incentive stock options are disposed of, by sale or otherwise. The amount by which the fair market value of the common stock on the date of exercise exceeds the exercise price is, however, included in determining the option recipient’s liability for the alternative minimum tax. If the incentive stock option recipient does not sell or dispose of the shares of common stock until more than one year after option exercise and two years after the option was granted, then, upon sale or disposition of the shares, the difference between the exercise price and the market value of the shares of common stock as of the date of exercise will be treated as a capital gain, and not ordinary income. If a recipient fails to hold the shares for the minimum required time the recipient will recognize ordinary income in the year of disposition generally in an amount equal to any excess of the market value of the common stock on the date of exercise (or, if less, the amount realized or disposition of the shares) over the exercise price paid for the shares. Any further gain (or loss) realized by the recipient generally will be taxed as short-term or long-term gain (or loss) depending on the holding period. Subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code and the satisfaction of our tax reporting obligation, we will generally be entitled to a tax deduction at the same time and in the same amount as ordinary income is recognized by the option recipient.

Nonqualified Stock Options

The recipient of stock options not qualifying as incentive stock options generally will not be taxed upon the grant of the option. Federal income taxes are generally due from a recipient of nonqualified stock options when the stock options are exercised. The excess of the fair market value of the common stock purchased on such date over the exercise price of the option is taxed as ordinary income. Thereafter, the tax basis for the acquired shares is equal to the amount paid for the shares plus the amount of ordinary income recognized by the recipient. Subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code and the satisfaction of our tax reporting obligation, we will generally be

entitled to a tax deduction at the same time and in the same amount as ordinary income is recognized by the option recipient by reason of the exercise of the option.

Other Awards

Recipients of restricted stock unit awards will generally recognize ordinary income when they receive shares upon settlement of the awards, in an amount equal to the fair market value of the shares at that time. Recipients of restricted shares subject to a vesting requirement will generally recognize ordinary income at the time vesting occurs, in an amount equal to the fair market value of the shares at that time minus the amount, if any, paid for the shares. However, a recipient of restricted shares which are not vested may, within 30 days of the date the shares are transferred, elect in accordance with Section 83(b) of the Code to recognize ordinary compensation income at the time of transfer of the shares rather than upon the vesting dates. Recipients of stock appreciation rights will generally recognize ordinary income upon exercise in an amount equal to the excess of the fair market value of the underlying shares of common stock on the exercise date and cash received, if any, over the exercise price. Subject to the requirement of reasonableness, the provisions of Section 162(m) of the Code and the satisfaction of our tax reporting obligation, we will generally be entitled to a tax deduction at the same time and in the same amount as ordinary income is recognized by the recipient.

New Plan Benefits

No new grants have been made under the Amended Plan. With respect to future grants under the Amended Plan, it is not possible to determine specific amounts and types of awards that may be awarded in the future under the Amended Plan, because the grant and actual settlement of awards will be discretionary.

In accordance with SEC rules, the following table sets forth summary information with respect to the number of shares of common stock subject to stock options awards made under the Plan to the Company's named executive officers, all current executive officers as a group, directors, nominees, associates of such executive officers, directors and nominees, each other person who received or is to receive 5% of such stock options and all employees (other than executive officers) as a group as of March 31, 2025.
