

Disclaimer – Social Media Scam

Roth Capital Partners (Roth) has become aware that there are individuals on WhatsApp and possibly other social media outlets who are falsely impersonating employees or people connected with this firm. Please be aware that any such messages are not authorized by Roth and are apparently being used to perpetrate illegitimate activity. The firm has contacted social media providers where these messages have appeared and demanded that they be removed, however to the extent that they continue to be posted or appear in other forums, please be aware that they have no nexus to the business of Roth and are being posted in furtherance of illegitimate activity. Thank you.
