### Forward Looking Statements

Certain information contained in this press release constitutes forward-looking statements for purposes of the safe harbor provisions of The Private Securities Litigation Reform Act of 1995. These forward looking statements involve a number of risks and uncertainties that could cause actual future results to differ materially from those anticipated in the forward-looking statements as the result of the Company's ability to continue gaining new customers,

offer new types of tests, integrate its acquisition of the Genoptix business and otherwise implement its business plan, as well as additional factors discussed under the heading “Risk Factors” and elsewhere in the Company’s Annual Report on Form 10-K filed with the SEC on February 26, 2019, amended by a 10K/A filed with the SEC on May 8, 2019. As a result, this press release should be read in conjunction with the Company’s periodic filings with the SEC. In addition, it is the Company’s practice to make information about the Company available by posting copies of its Company Overview Presentation from time to time on the Investor Relations section of its website at <http://ir.neogenomics.com/>.

Forward-looking statements represent the Company’s estimates only as of the date such statements are made (unless another date is indicated) and should not be relied upon as representing the Company’s estimates as of any subsequent date. While the Company may elect to update forward-looking statements at some point in the future, it specifically disclaims any obligation to do so, even if its estimates change.
