## Ur-Energy Announces Global X Uranium ETF has Completed Rebalance with Respect to Ur-Energy Shareholdings

LITTLETON, Colo., Aug. 23, 2018 /PRNewswire/ -- **Ur-Energy Inc. (NYSE American:URG, TSX:URE)** ("Ur-Energy" or the "Company") is pleased to announce it has been advised that Global X Uranium Exchange Traded Fund ("Global X"), its largest shareholder, has completed a rebalancing of its fund in respect to its holdings in Ur-Energy. Because of changes incorporated in the underlying index used by Global X, to include larger companies in various nuclear fuel cycle industries, Global X has been systematically rebalancing holdings in all uranium mining and development companies, including Ur-Energy.

Jeffrey Klenda, Chair and CEO of Ur-Energy, stated, "We are glad to have been able to assist Global X in reaching their targeted rebalance figure. Whether intended or not, this type of trading activity can have a suppressive influence on a company's shares. We are very pleased that any pressure has been removed with the orderly completion of the Global X rebalance with respect to Ur-Energy. Overall, we feel that our registry of shareholders has been strengthened through this process. We are pleased to have Global X continue on as one of our larger shareholders, and we look forward to working with them in the future."
