For those who are not available to listen to the live webcast, a digital replay will be archived on the investor relations section of the Amedica website under [Events & Presentations](#).

About Amedica Corporation

Amedica is focused on the development and application of spinal interbody implants made with medical-grade silicon nitride ceramic. Amedica markets spinal fusion products and is developing implants for other biomedical applications, such as wear- and corrosion-resistant hip and knee bearings, and dental implants. The Company's products are manufactured in its ISO 13485 certified manufacturing facility, and it has a partnership with Kyocera, one of the world's largest ceramic manufacturers. Amedica's FDA-cleared and CE-marked spine products are currently marketed in the U.S. and select markets in Europe and South America through its distributor network, and OEM and private label partnerships.
