John Cook, Angela Garcia and Hally Leadbetter Join Roster of Hosts on SiriusXM PGA TOUR Radio

Cook, Garcia and Leadbetter debut on an updated SiriusXM PGA TOUR Radio lineup for 2018

Hank Haney and Michael Breed both expand their popular shows to two hours every weekday

NEW YORK, Jan. 18, 2018 /PRNewswire/ -- SiriusXM today announced that John Cook, an 11-time winner on the PGA TOUR, and golf analysts and former collegiate golfers Angela Garcia and Hally Leadbetter have joined SiriusXM PGA TOUR Radio's roster of hosts as part of the channel's new 2018 original programming lineup.

Connected with John Cook airs every Tuesday (7:00 – 8:00 p.m. ET) covering the latest news from the world of golf and featuring calls from listeners around the country.

Angela Garcia and Hally Leadbetter host *Garcia & Leadbetter Remixed*, which airs every Monday (8:00 – 9:00 p.m. ET). Their show covers the game from the hosts' unique points of view and feature interviews with players, golf-loving celebrities and others.

"John, Angela and Hally each bring a very knowledgeable perspective on the game to our listeners," said Scott Greenstein, SiriusXM's President and Chief Content Officer. "Their voices and these shows are excellent additions to our new SiriusXM PGA Tour Radio lineup, which continues to give golf fans access to the game's experts and is a premiere source for 24/7 golf talk."

John Cook's PGA TOUR career is highlighted by 11 tournament victories and 98 top-10 finishes, and he played for the United States in the 1993 Ryder Cup. In 2002 he won the PGA TOUR Comeback Player of the Year award following runner-up finishes at both The Open Championship and PGA Championship. He has also recorded 10 PGA TOUR Champions wins.

Angela Garcia played collegiate golf at the University of Texas before embarking on a broadcasting career that has included on-air roles for NBC/Golf Channel, Fox Sports and ESPN. A single-digit handicap, Garcia plays often with her husband, 2017 Masters Champion Sergio Garcia.

Hally Leadbetter played collegiate golf at Rollins College where she helped lead the Tars to the 2016 Division II National Championship. She brings a terrific perspective on the game based on both her playing experience and years of tutelage from her father, legendary instructor and SiriusXM personality David Leadbetter.

Their shows are part of a new, refreshed SiriusXM PGA TOUR Radio programming lineup for 2018. The new lineup features the expansion of two popular shows – *Hank Haney Golf Radio* with Hank Haney and Steve Johnson and *A New Breed of Golf* with Michael Breed. Several existing daily and weekly shows move to new regular timeslots.

SiriusXM PGA TOUR Radio also continues to showcase monthly shows hosted by distinguished players and other personalities including Hale Irwin, Craig Stadler, Mark Calcavecchia, Dave Stockton, Bob Ford, PGA of America CEO Pete Bevacqua, Grammy Award-winning artist and golf devotee Darius Rucker, Wentworth Club CEO Stephen Gibson, instructor David Armitage, and Mizuno Golf designers/club fitters Bill Price and Chris Voshall.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2016, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
