Nissan North America and SiriusXM Extend Agreement Through 2023 Model Year

Five-year extension assures Nissan and Infiniti customers will continue to receive a three-month SiriusXM All Access subscription with purchase of equipped vehicles

NEW YORK, April 18, 2018 /PRNewswire/ -- SiriusXM announced today an agreement with Nissan North America that extends the ongoing relationship between the two companies for five more years and through the 2023 model year. Nissan and Infiniti customers will continue to get a three-month introductory SiriusXM All Access subscription – SiriusXM's most expansive programming package which includes access to the SiriusXM mobile app – with the purchase of equipped vehicles.

Customers purchasing properly equipped Nissan and Infiniti vehicles will also receive a three-month subscription to the SiriusXM Traffic and SiriusXM Travel Link infotainment services. Certain models and trim levels will include extended infotainment services subscriptions. SiriusXM Traffic helps drivers avoid congestion before they reach it with detailed information on traffic speed, accidents, construction, road closures and more. SiriusXM Travel Link delivers timely and helpful information to drivers and passengers including weather, fuel prices, sports scores, movie listings and stock prices. Go to www.SiriusXM.com/Infotainment for more info.

Additionally, SiriusXM will be standard on all model year 2019 and model year 2020 Nissan Altima and Titan vehicles.

"We are thrilled to extend our long term relationship with Nissan North America," said Christopher Lam, SVP & GM, Automotive Partnerships for SiriusXM. "Nissan has always been committed to staying on the leading edge of automotive technology and their dedication to reliability and design has established their vehicles among the most popular on the road today. We are proud to continue providing both Nissan and Infiniti customers with the benefit of SiriusXM's exceptional audio entertainment and infotainment services."

Customers who purchase Nissan and Infiniti Certified Pre-Owned vehicles will also continue to receive a three-month introductory subscription to SiriusXM All Access.

SiriusXM All Access delivers the most comprehensive bundle of entertainment, sports and

news programming available in the vehicle. It includes Howard Stern's two exclusive channels, commercial-free music from many genres, plus every NFL, MLB®, and NBA game, every NASCAR® race, NHL® games, PGA TOUR® coverage, college sports, some of the biggest names and brands in entertainment, news and comedy, and more.

SiriusXM All Access subscribers also get streaming access to SiriusXM, enabling them to connect to their favorite channels online, on-the-go with the SiriusXM mobile app, and at home on a wide variety of connected devices including smart TVs, Amazon Alexa devices, Apple TV, PlayStation, Roku, Sonos speakers and more. The SiriusXM app offers more than 200 channels of content, including several exclusive online-only channels, and thousands of hours of on-demand content that allow the listener to hear more of what they want, when they want it.

About SiriusXM

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes

of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2016, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
