

Annual Declaration of Compliance and Spend Limit

California Health & Safety Code §§ 119400-119402

July 1, 2022

SCYNEXIS, Inc. is in compliance with the requirements of the California Health & Safety Code. SCYNEXIS has implemented a compliance program which includes the requirements included in the California law. SCYNEXIS periodically assesses its compliance program and may make changes to enhance its effectiveness. The Compliance program is based on current OIG guidance for an effective compliance program. To request a copy of this declaration of compliance and a description of the SCYNEXIS compliance program, call 201-884-5485.

In addition, SCYNEXIS, Inc. has established an annual limit for spend to health care professionals licensed in CA to no more than \$2,000 per health care professional. This limit includes expenses related to the facilitation of educational discussions about SCYNEXIS products and educational items intended to enhance patient care. All items provided to healthcare professionals must comply with SCYNEXIS policies and the PhRMA Code on interactions with healthcare professionals. The spending limit does not include support for continuing education, scholarships and fair market value payments for services provided by healthcare professionals such as consulting. The spend limit is from July 1, 2022 to June 30, 2023.
