Iterum Therapeutics Announces \$5 Million Registered Direct Offering Priced At-the-Market under Nasdaq Rules

DUBLIN, Ireland and CHICAGO, June 30, 2020 (GLOBE NEWSWIRE) -- Iterum Therapeutics plc (Nasdaq: ITRM), a clinical-stage pharmaceutical company focused on developing next generation oral antibiotics to treat infections caused by multi-drug resistant pathogens in community settings, today announced that it has entered into definitive agreements with institutional investors for the purchase and sale of 3,372,686 of its ordinary shares at a purchase price of \$1.4825 per ordinary share in a registered direct offering priced at-the-market under Nasdaq rules. The Company also agreed to issue to the investors unregistered warrants to purchase up to 1,686,343 ordinary shares in a concurrent private placement. The warrants have an exercise price of \$1.42 per share, are exercisable immediately, and will expire five and one-half years following the date of issuance. The closing of the offering is expected to occur on or about July 2, 2020, subject to the satisfaction of customary closing conditions.

H.C. Wainwright & Co. is acting as the exclusive placement agent for the offering.

The gross proceeds to the Company from the offering are expected to be approximately \$5.0 million, before deducting the placement agent's fees and other offering expenses payable by Iterum Therapeutics. The Company intends to use the net proceeds from this offering to fund the continued clinical development of sulopenem, the management of a potential regulatory filing and for working capital and general corporate purposes.

The ordinary shares (but not the warrants issued in the private placement or the ordinary shares issuable upon exercise of the warrants) are being offered by the Company pursuant to a "shelf" registration statement on Form S-3 (File No. 333-232569) previously filed with the Securities and Exchange Commission, or the SEC, and declared effective by the SEC on July 16, 2019. The offering of the ordinary shares will be made only by means of a prospectus, including a prospectus supplement, forming a part of the effective registration statement. A final prospectus supplement and accompanying prospectus relating to the ordinary shares being offered will be filed with the SEC. Electronic copies of the final prospectus supplement and accompanying prospectus may be obtained, when available, on the SEC's website at <http://www.sec.gov> or by contacting H.C. Wainwright & Co., LLC, 430 Park Avenue, 3rd Floor, New York, NY 10022, or by telephone at (646) 975-6996, or email at placements@hcwco.com.

The warrants described above were offered in a private placement under Section 4(a)(2) of the Securities Act of 1933, as amended, or the Act, and Regulation D promulgated thereunder, and the warrants and the ordinary shares issuable upon exercise of the warrants have not been registered under the Act or applicable state securities laws. Accordingly, the warrants and ordinary shares issuable upon exercise of the warrants may not be offered or

sold in the United States except pursuant to an effective registration statement or an applicable exemption from the registration requirements of the Act and such applicable state securities laws.

This press release does not constitute an offer to sell or the solicitation of an offer to buy any of the securities described herein, nor shall there be any sale of these securities in any state or other jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

About Iterum Therapeutics plc

Iterum Therapeutics plc is a clinical-stage pharmaceutical company dedicated to developing differentiated anti-infectives aimed at combatting the global crisis of multi-drug resistant pathogens to significantly improve the lives of people affected by serious and life-threatening diseases around the world. Iterum Therapeutics is advancing its first compound, sulopenem, a novel penem anti-infective compound, in Phase 3 clinical development with an oral formulation. Sulopenem has demonstrated potent *in vitro* activity against a wide variety of gram-negative, gram-positive and anaerobic bacteria resistant to other antibiotics. Iterum Therapeutics has received Qualified Infectious Disease Product (QIDP) and Fast Track designations for its oral and IV formulations of sulopenem in seven indications.
