CV Sciences, Inc. Announces Silver Level Sponsorship of the 15th Annual Nutrition and Health Conference in Boston, Massachusetts - April 29-May 2, 2018

Company Continues its Expansion into the Healthcare Professional Market through One-on-One Education, Exclusive Product Offerings and Enhanced Practitioner Support.

LAS VEGAS, April 18, 2018 (GLOBE NEWSWIRE) -- [CV Sciences, Inc.](#) (OTCQB:CVSI) (the "Company," "CV Sciences," "our" or "we"), preeminent manufacturer and distributor of the industry-dominating brand of hemp extract products, [PlusCBD Oil™](#), announced today that it will be exhibiting at the [15th Annual Nutrition and Health Conference](#), held on April 29th to May 2nd, 2018 at the Westin Boston Waterfront in Boston, MA as a Silver Level Sponsor.

The Nutrition and Health Conference, produced by the [Arizona Center for Integrative Medicine](#), is a continuing education conference that assembles internationally recognized researchers, clinicians, educators, and chefs whose work focuses on the interface between nutrition and healthful living. The conference will feature presentations and a lively panel discussion with renowned health expert Dr. Andrew Weil and nationally renowned nutrition experts discussing optimum diet and social and political issues related to food and nutrition.

Exhibiting brands are chosen based on philosophical fit of the organization's values and mission, as well as representing quality products that serve the health and wellness of their attendees and patients. "We are thrilled to be the first hemp CBD company to sponsor and exhibit at the Nutrition and Health Conference," stated Stuart Tomc, VP of Human Nutrition at CV Sciences. "Conference leadership has set a strict standard to ensure high-quality dietary supplements and foods are represented to their attendees, and we look forward to educating forward-thinking practitioners on the value hemp CBD products like PlusCBD Oil™ may offer their clients and patients."
