# 1. Incorporation and nature of activities

Coveo Solutions Inc. ("Coveo" or the "Company") is incorporated under the Canada Business Corporations Act. Its head office is located at 3175 Chemin des Quatre-Bourgeois, Suite 200, Quebec, Quebec, Canada. Coveo powers search, recommendations, and generative answering in digital experiences. The Company's Software as a Service ("SaaS") artificial intelligence ("Al") platform and suite of Al and generative Al models are designed to transform digital experiences across commerce, service, website, and workplace applications.

The Company's subordinate voting shares are listed on the Toronto Stock Exchange (the "TSX") under the stock symbol "CVO".

# 2. Basis of presentation

These unaudited condensed interim consolidated financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") applicable to the preparation of interim financial statements, including International Accounting Standard ("IAS") 34 "Interim Financial Reporting", as issued by the International Accounting Standards Board ("IASB"). Certain information and disclosures have been omitted or condensed. The accounting policies and methods of computation described in the annual audited consolidated financial statements for the year ended March 31, 2023 were applied consistently in the preparation of these unaudited condensed interim consolidated financial statements. Accordingly, these unaudited condensed interim consolidated financial statements should be read together with the Company's audited consolidated financial statements for the year ended March 31, 2023.

These condensed interim consolidated financial statements have been approved by the Board of Directors and authorized for issuance on November 6, 2023.

## Seasonality of interim operations

The operations of the Company can be seasonal, and the results of operations for any interim period are not necessarily indicative of operations for the full year or any future period.

# Use of estimates and judgements

In preparing these unaudited condensed interim consolidated financial statements, management makes judgments. estimates, and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, revenue, and expenses. Actual results may differ from these estimates. The significant judgments made by management in applying the Company's accounting policies and the key sources of uncertainty were the same as those applied to the annual audited consolidated financial statements for the year ended March 31, 2023.

# 5. Intangible assets

As of September 30, 2023, following customer attrition experienced as a result of the Company's decision to decrease investment in certain acquired Qubit Digital Ltd ("Qubit") product capabilities, the Company reassessed the value of its customer relationships acquired through the business combination with Qubit. Using a discounted cash flow model with a discount rate of 11.1%, the intangible assets fair value was estimated at \$5,000. Such reassessment resulted in an impairment loss of \$3,200. This loss is included in amortization and impairment of intangible assets in the condensed interim consolidated statement of loss.

## Share-based payment expense

For the three months ended September 30, 2023, a share-based payment expense of \$4,346 (\$5,342 in 2022) was recorded in the interim condensed consolidated statements of loss and comprehensive loss with a corresponding credit to contributed surplus.

For the six months ended September 30, 2023, a share-based payment expense of \$7,800 (\$11,138 in 2022) was recorded in the interim condensed consolidated statements of loss and comprehensive loss with a corresponding credit to contributed surplus.

# 8. Net loss per share

The Company has stock options and share-based awards as potentially dilutive securities. Diluted net loss per share excludes all potentially dilutive shares if their effect is anti-dilutive. For the three and six months ended September 30, 2023 and 2022 a net loss was recorded and therefore, all potentially dilutive securities have been excluded from the calculation of the diluted net loss per share because their effect would have been anti-dilutive. Consequently, basic and diluted number of shares is the same.
