## About Super League Gaming

[Super League Gaming, Inc.](#) (Nasdaq CM:SLGG) is a global leader in the mission to bring live and digital esports entertainment and experiences directly to the more than 2 billion everyday gamers around the world. The company operates premium city-vs-city amateur esports leagues, produces thousands of live competitive and social gaming events around the country, and publishes multiple forms of content celebrating the love of play on its websites and all major platforms including YouTube, Twitch and Instagram. Super League's vibrant audience of players and viewers spans age groups, skill levels and game titles, including an avid community of Minecraft players on [Minehut](#), highly engaged viewers across one of the largest social video networks in gaming through Framerate, and local communities that have developed through partnerships with high-profile venue owners such as Topgolf, Cinemark Theatres and numerous independent fast-casual restaurants. Super League also is becoming the primary consumer-facing brand on PCs in more than 600 gaming centers around the world through a partnership with ggCircuit, giving the company a daily global footprint on a true grassroots level. With firm conviction that gaming together is more fun than gaming alone, Super League provides players with a global competitive framework and engaging content designed to foster the long-term growth of esports.

## **About LD Micro**

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space.

What started out as a newsletter highlighting unique companies has transformed into several influential events annually (Invitational, Summit, and Main Event).

In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and micro-cap universe.
