Concentra Expands to Chattanooga, Tennessee

ADDISON, Texas--(BUSINESS WIRE)-- Concentra® (NYSE: CON), the nation's leader in occupational medicine, today announced the opening of a new medical center in Chattanooga, Tennessee. The medical center, Concentra Chattanooga Airport, is conveniently located at 6413 Lee Highway, Suite 107, Chattanooga, Tennessee 37421.

"Chattanooga is a new area for us, and we're excited for the opportunity to serve the city's employers," said Janet Cobb, MD, senior vice president of Concentra medical operations. "We look forward to further expanding in the greater Knoxville area later this year."

Concentra will provide work injury care, physical therapy, drug testing, DOT physical exams, pre-placement exams, and other employer-related health services from its new location in Chattanooga. Telemedicine for minor work injuries will also be available via Concentra Telemed®, Concentra's proprietary telemedicine platform.

Concentra has long been known as the premier provider of occupational health and urgent care services delivered through an extensive network of nearly 550 locations nationwide. This expansion strengthens Concentra's growing presence in Tennessee and enables the company to more effectively meet the demand for comprehensive occupational health services in the region. Concentra offers quality, efficient medical care to meet the needs of employers and their employees at convenient times and locations. To explore Concentra's ever-expanding national footprint and to see a complete list of locations, visit www.Concentra.com.

About Concentra

Concentra is the largest provider of occupational health services in the United States by number of locations, with the mission of improving the health of America's workforce, one patient at a time. Our 11,000 colleagues and affiliated physicians and clinicians support the delivery of an extensive suite of services, including occupational and consumer health services and other direct-to-employer care, to more than 50,000 patients each day on average from 547 occupational health centers in 41 states and 154 onsite health clinics at employer worksites in 37 states as of June 30, 2024. www.Concentra.com
