## **SCWorx Announces New Academic Hospital Customer**

New York, NY, Dec. 17, 2025 (GLOBE NEWSWIRE) -- SCWorx Corp. (Nasdaq: WORX), a provider of healthcare data management and interoperability solutions, today announced that it has entered into a new customer agreement with a Midwest-based academic hospital organization with approximately 500 beds.

The customer selected SCWorx to support certain healthcare data cleanse and enrichment services for assistance with Workday initiatives. The agreement provides for the use of SCWorx solutions to assist with improving data consistency and supporting operational workflows.

“This customer engagement reflects ongoing interest in our data management solutions within the academic healthcare community,” said Tim Hannibal, Chief Executive Officer of SCWorx. “We remain focused on supporting our customers’ operational and data-related needs.”

The Company did not disclose the financial terms of the agreement. Deployment timing and scope will be determined in coordination with the customer.

### **About SCWorx**

SCWorx offers a suite of software-as-a-service-based data management solutions for healthcare providers. SCWorx delivers value through the full integration of its solutions modules with a robust data platform, ensuring accuracy, cost savings, operational efficiency, and reliable benchmarking and reporting. The solution modules include Virtual Item Master, data cleanse and normalization, contract management, request for pricing (RFP) module, automated rebate management module, data interoperability (EMR, MMIS, finance) module, Automated Item Add Portal, Virtual General Ledger, and the data analytics module. SCWorx creates a single source for information for the healthcare provider’s data governance and analytics requirements.

### **Forward-Looking Statements**

This press release contains “forward-looking statements” that involve substantial risks and uncertainties for purposes of the safe harbor provided by the Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical facts, included in this press release regarding strategy, future operations, future contract renewals and terminations, future financial position, prospects, plans and objectives of management are forward-looking statements. You can identify many (but not all) such forward-looking

statements by looking for words such as “assumes,” “approximates,” “believes,” “expects,” “anticipates,” “estimates,” “projects,” “seeks,” “intends,” “plans,” “could,” “would,” “may” or other similar expressions. You should not place undue reliance on these forward-looking statements. Such statements are based on management’s current expectations and involve risks and uncertainties. Actual results and performance could differ materially from those projected in the forward-looking statements. As a result of many factors, including, without limitation, economic disruptions affecting our customers, unexpected contract terminations, securing future contracts and orders, future product sourcing, supply disruptions, containing costs, the ability to project future cash utilization and reserves needed for contingent future liabilities and business operations, the availability of sufficient resources of the company to meet its business objectives and operational requirements and other important factors that are detailed in filings with the Securities and Exchange Commission made from time to time by SCWorx, including its Annual Report on Form 10-K for the year ended December 31, 2024, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K. Matters described in forward-looking statements may also be affected by other known and unknown risks, trends, uncertainties and factors, many of which are beyond the company’s ability to control or predict. SCWorx undertakes no obligation to release publicly any revisions to any forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
