Intel Announces Senior Notes Offering

SANTA CLARA, Calif.--(BUSINESS WIRE)-- Intel Corporation today announced that it intends to offer, subject to market and other conditions, senior unsecured notes under an automatic shelf registration statement on file with the Securities and Exchange Commission. The offering and the final terms of the notes, including principal amount, interest rate and maturity will depend on market and other conditions at the time of pricing.

Intel intends to use the net proceeds from the offering for general corporate purposes and to repurchase shares of its common stock under the company's existing share repurchase authorization.

J.P. Morgan Securities LLC and Merrill Lynch, Pierce, Fenner & Smith Incorporated are acting as joint book-running managers for the offering.

This news release shall not constitute an offer to sell or a solicitation of an offer to buy any securities, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction. The offering of securities may be made only by means of a prospectus supplement and accompanying prospectus. Copies of the prospectus supplement and the accompanying prospectus can be obtained from:
