## Intel Declares Quarterly Cash Dividend

SANTA CLARA, Calif.--(BUSINESS WIRE)-- Intel Corporation's board of directors has declared a 22.5 cents-per-share (90 cents-per-share on an annual basis) quarterly dividend on the company's common stock. The dividend will be payable on March 1, 2013 to stockholders of record on Feb. 7, 2013.

"With the payout of this quarterly dividend, Intel's dividend and stock buyback program will have returned approximately \$119 billion to stockholders since the program's inception," said Intel president and CEO Paul Otellini. "This is a testament to our commitment to return cash to our stockholders as we continue to generate strong cash flow driven by the combination of new products and design wins from the lowest power portable devices to the most powerful data center servers."

Intel (NASDAQ: INTC) is a world leader in computing innovation. The company designs and builds the essential technologies that serve as the foundation for the world's computing devices.
