Intel Extends Mobile Reach Into Retail at NRF 2015

Intel is showcasing a broad portfolio of Intel-based mobile solutions offering a choice of form factors to enable sales, wait staff support, stocking and management optimization.

About Intel

Intel (NASDAQ:INTC) is a world leader in computing innovation. The company designs and builds the essential technologies that serve as the foundation for the world's computing devices. As a leader in corporate responsibility and sustainability, Intel also manufactures the world's first commercially available "conflict-free" microprocessors.
