CarCharging Utilizes Social Media Channels to Disseminate Information to Shareholders and Electric Car Drivers

Leading EV Charging Service Provider Expands Awareness on the Company and Electric Vehicle Industry Via Social Media

MIAMI BEACH, Fla., June 6, 2013 /PRNewswire/ -- Car Charging Group, Inc. (OTCQB: CCGI) ("CarCharging"), a nationwide provider of convenient electric vehicle (EV) charging services, announces that in an effort to communicate effectively with shareholders and EV drivers, and maintain all compliance with SEC Regulation FD, the company will utilize the online websites and social media channels listed below. In addition to the company's website, www.CarCharging.com, CarCharging will provide updates on the company and the electric car industry via various social media channels including Facebook, Twitter, LinkedIn, YouTube, and Google+.

"We understand that people connect with companies in different ways and that each social media platform has its set of strengths," said Michael D. Farkas, CEO of CarCharging. "To ensure that we disseminate information broadly, communicate with our shareholders and customers in their preferred manner, and adhere to SEC regulations, we will utilize various forms of communication, including social media."

CarCharging will disseminate information on the company and the electric car industry via its website, www.CarCharging.com, and the following social media channels:

Facebook: www.facebook.com/Car.Charging

Twitter: @CarCharging and @MDFarkas

LinkedIn: www.linkedin.com/company/carcharging

YouTube: www.youtube.com/user/CarChargingGroup

Google+: <https://plus.google.com/b/102851906222666060500/102851906222666060500/po>

CarCharging intends to continue to comply in full with Securities and Exchange Commission regulations on using only recognized channels of distribution to release material information on a broad, non-exclusionary basis.

About Car Charging Group, Inc.

Car Charging Group, Inc. (OTCQB: CCGI) is a pioneer in nationwide public EV charging services, enabling drivers to easily recharge anytime, anywhere throughout the United States. CarCharging provides a comprehensive turnkey electric vehicle charging service to commercial and residential property owners. Employing the most advanced technology, CarCharging is committed to creating a robust, feature-rich network for EV charging.

Headquartered in Miami Beach, FL with offices in California, New York, Canada, and Spain; CarCharging's business model is designed to accelerate the adoption of public EV charging services. CarCharging pays for all installation, maintenance and related services; therefore, eliminating capital costs for property owners.

CarCharging has over 85 strategic partnerships across multiple business sectors including multi-family residential and commercial properties, parking garages, shopping malls, retail parking, and municipalities. CarCharging's partners include, but are not limited to Equity One, Equity Residential, Forest City, Simon Property Group, Ace Parking, Central Parking, Icon Parking, Rapid Parking, USA Parking, Related, Walgreens, CVS, City of Miami Beach (FL), City of Hollywood (FL), and City of Santa Clara (CA), that manage or own a total of over 8 million parking spaces.
