About Car Charging Group, Inc.

[Car Charging Group, Inc.](#) (OTCQB: CCGI) is a pioneer in nationwide public EV charging services, enabling EV drivers to easily recharge at locations throughout the United States. Headquartered in Miami Beach, FL with offices in San Jose, CA; New York, NY; and Barcelona, Spain; CarCharging's business model is designed to accelerate the adoption of public EV charging services.

CarCharging provides a comprehensive turnkey program to commercial and residential property owners for EV charging services. CarCharging owns and operates the EV charging equipment; pays for all installation, maintenance, and related services; and shares the EV charging revenue with the property owner. Thereby, eliminating capital costs for the property owners, and providing a potential additional stream of revenue.

CarCharging has 87 strategic partnerships across multiple business sectors including multi-family residential and commercial properties, parking garages, shopping malls, retail parking, and municipalities. CarCharging's partners include, but are not limited to Walgreens, Simon Property Group, Equity One, Equity Residential, Forest City, Ace Parking, Central/USA Parking, Icon Parking, Rapid Parking, Parking Concepts, CVS, Related Management, Pennsylvania Turnpike Commission, Pennsylvania Department of Environmental Protection, City of Miami Beach (FL), City of Hollywood (FL), and City of Norwalk (CT), that manage or own a total of over 8 million parking spaces.

CarCharging is committed to creating a robust, feature-rich network for EV charging and is technology agnostic. CarCharging's EV charging network includes equipment manufactured by Aerovironment, ChargePoint, Efacec, General Electric, Nissan, and SemaConnect. The Level II charging stations are compatible with EVs sold in the United States including the Tesla Model S, Nissan LEAF, Chevy Volt, Mitsubishi i-Miev, Toyota Prius Plug-In, Honda Fit EV, and Toyota Rav4 EV, as well as many others scheduled for release in the next few years.
