New Blink Electric Vehicle Charging Stations Installed at Aventura Mall, Aventura Florida

Aventura, Florida, April 10, 2018 (GLOBE NEWSWIRE) -- Leading owner, operator, and provider of electric vehicle (EV) charging hardware and services, Blink Charging Co. (NASDAQ: BLNK, BLNKW) ("Blink Charging" or the "Company"), announced that it has installed EV charging stations at Aventura Mall in Aventura, Florida. The units were installed in the Nordstrom and Bloomingdale's parking garages, offering EV charging options near two of the mall's anchor stores.

Installed on March 26, 2018, the new Level 2 wall-mounted EV charging stations are capable of adding 20-25 miles of driving range in 40-60 minutes of charging time and are available to the public. The deployed charging stations join Blink's growing network of thousands of EV charging stations all over the country.

"As the number of electric vehicles increase, so does the need for Blink EV charging stations in retail locations across the country," said Blink Charging's Chief Executive Officer, Mike Calise. "We are ecstatic to give drivers the opportunity to charge their vehicles while shopping at one of the largest shopping malls in the US and one of the nation's finest destinations, Aventura Mall."

About Blink Charging Co.:

Blink Charging (NASDAQ: BLNK, BLNKW) is one of the leaders in nationwide public electric vehicle (EV) charging equipment and services, enabling EV drivers to easily charge at locations throughout the United States. Headquartered in Florida with offices in Arizona and California, Blink Charging's business is designed to accelerate EV adoption.

Blink Charging offers EV charging equipment and connectivity to the Blink Network, a cloud-based software that operates, manages, and tracks the Blink EV charging stations and all the associated data. Blink Charging also owns and operates EV charging equipment predominantly under the Blink brand, as well as using a number of other charging station equipment manufacturers such as ChargePoint, General Electric (GE) and SemaConnect. Blink Charging has strategic property partners across multiple business sectors including multifamily residential and commercial properties, airports, colleges, municipalities, parking garages, shopping malls, retail parking, schools, and workplaces.
