Brett Moyer, chief executive officer, president and chairman, stated, “Building on our marketing initiatives for Summit technology as the standard for wireless immersive sound among brands and ODMs, we welcome Wendy Wilson, a digital marketing executive, to the board. Wendy’s wealth of experience includes leadership roles in large enterprises, such as Disney, Jive, and Yahoo, as well as venture-funded high-tech start-ups. We believe her insights will be valuable as we drive consumer awareness and interest in wireless immersive sound technology and next-generation home entertainment.”

Wilson added, “This is an exciting time to join Summit, as the WiSA Wave marketing program is gaining traction. Its wireless sound technology is in leading brands hitting the end user marketplace. I look forward to providing strategic input in expanding consumer awareness of these end markets and in supporting the strong customer portfolio of leading consumer entertainment brands and manufacturers.”

Moyer concluded, “We thank Jonathan for his service during Summit’s journey. We are pleased he will continue to advise the company as we drive growth.”

## About Wendy Wilson

Wendy Wilson is currently VP of Marketing at ChargePoint, one of the world’s largest EV charging network. She runs go-to-market functions for the SaaS businesses, has P&L responsibility, and is helping expand the company’s operations into European markets with scalable localization, web, and marketing processes. Ms. Wilson has held leadership roles in small VC funded startups as well as publicly traded firms including Disney, Jive and Yahoo. In her leadership role at Infoseek, which was acquired by Disney in 1998, she was responsible for cross-disciplinary teams from ESPN, Go.com (ABC News), Mr. Showbiz and Infoseek brands. At Yahoo, she was responsible for both the monetization and editorial strategy for the Yahoo front page, known then as the world’s homepage. Ms. Wilson led demand generation, field and web teams at Jive Software.

Ms. Wilson is a graduate of Northwestern University with a BA in English.

### **About Summit Wireless Technologies, Inc.**

Summit Wireless Technologies, Inc. (NASDAQ: WISA) is a leading provider of immersive, wireless sound technology for intelligent devices and next-generation home entertainment systems. Working with leading CE brands and manufacturers such as Harman International, a division of Samsung, LG Electronics, Klipsch, Bang & Olufsen, Xbox, a subsidiary of Microsoft, and others, Summit Wireless delivers seamless, dynamic audio experiences for high-definition content, including movies and video, music, sports, gaming/esports, and more. Summit Wireless is a founding member of WiSA, the Wireless Speaker and Audio Association and works in joint partnership to champion the most reliable interoperability standards across the audio industry. Summit Wireless is headquartered in San Jose, CA with sales teams in Taiwan, China, Japan, and Korea. For more information, please visit: [www.summitwireless.com](http://www.summitwireless.com).

### **About WiSA, LLC**

WiSA®, the Wireless Speaker and Audio Association, is a consumer electronics consortium dedicated to creating interoperability standards utilized by leading brands and manufacturers to deliver immersive sound via intelligent devices. WiSA Certified™ components from any member brand can be combined to dramatically increase the enjoyment of movies and video, music, sports, gaming/esports, and more. WiSA also combines robust, high definition, multi-channel, low latency surround sound with the simple setup of a soundbar.
