Microvision to Present at Merriman Curhan Ford Investor Conference

REDMOND, Wash.--(BUSINESS WIRE)--

Microvision, Inc. (Nasdaq:MVIS) announced today that Jeff Wilson, Chief Financial Officer, and Ian Brown, VP Sales and Marketing, will present at the IP Video Conference 2008 presented by Merriman Curhan Ford on March 3, 2008, in San Francisco, CA. Microvision's presentation is scheduled to begin at 1:45 p.m. Pacific time.

About Microvision

Microvision provides a display technology platform expected to enable next-generation display and imaging products for pico projectors, vehicle displays, and wearable displays that interface to mobile devices. The company also manufactures and sells its bar code scanner product line which features the company's proprietary MEMS technology.

Forward Looking Statement

Certain statements contained in this release, including those relating to future products and words such as "expected," are forward-looking statements that involve a number of risks and uncertainties. Factors that could cause actual results to differ materially from those projected in the Company's forward-looking statements include the following: our ability to raise additional capital when needed; our financial and technical resources relative to those of our competitors; our ability to keep up with rapid technological change; our dependence on the defense industry and a limited number of government development contracts; government regulation of our technologies; our ability to enforce our intellectual property rights and protect our proprietary technologies; the ability to obtain additional contract awards; the timing of commercial product launches and delays in product development; the ability to achieve key technical milestones in key products; dependence on third parties to develop, manufacture, sell and market our products; potential product liability claims and other risk factors identified from time to time in the Company's SEC reports, including the Company's Annual Report on Form 10-K filed with the SEC. Except as expressly required by the federal securities laws, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, changes in circumstances or any other reason.
