# **Microvision to Present at the Maxim Group Growth Conference on October 7, 2008 at 4PM EDT**

## **Conference Located at the Grand Hyatt Hotel in New York City**

REDMOND, Wash.--(BUSINESS WIRE)--

Microvision (NASDAQ:MVIS), the leader in light scanning technologies for display and imaging products, today announced that Alexander Tokman, President and CEO, is scheduled to present at the Maxim Group's Growth Conference at 4:00 p.m. (EDT) on October 7, 2008. Microvision will also participate in one-on-one meetings during the conference.

The Maxim Group Growth Conference is designed to meet the needs of institutional investors and is expected to attract over 1,000 buy side investors.

About Microvision ([www.microvision.com](http://www.microvision.com))

Microvision provides the PicoP display technology platform designed to enable next generation display and imaging products for pico projectors, vehicle displays, and wearable displays that interface to mobile devices. The company also manufactures and sells its bar code scanner product line which features the company's proprietary MEMS technology.

### **Forward-Looking Statements Disclaimer**

Certain statements contained in this release, including those relating to future products are forward-looking statements that involve a number of risks and uncertainties. Factors that could cause actual results to differ materially from those projected in the Company's forward-looking statements include the following: availability and quantities of key components, our ability to raise additional capital when needed; our financial and technical resources relative to those of our competitors; our ability to keep up with rapid technological change; government regulation of our technologies; our ability to enforce our intellectual property rights and protect our proprietary technologies; the ability to obtain additional contract awards; the timing of commercial product launches and delays in product development; the ability to achieve key technical milestones in key products; dependence on third parties to develop, manufacture, sell and market our products; potential product liability claims and other risk factors identified from time to time in the Company's SEC reports, including the Company's Annual Report on Form 10-K filed with the SEC. Except as expressly required by the federal securities laws, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, changes in circumstances or any other reason.
